### **ARTICLE 16. EFFECT OF RECODIFICATION OF TITLE 32**

#### **IC 32-16-1**

##### **Chapter 1. Effect of Recodification by the Act of the 2002 Regular Session of the General Assembly**

#### **IC 32-16-1-1**

##### **"Prior property law"**

Sec.1. As used in this chapter, "prior property law" refers to the statutes that are repealed or amended in the recodification act of the 2002 regular session of the general assembly as the statutes existed before the effective date of the applicable or corresponding provision of the recodification act of the 2002 regular session of the general assembly.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-2**

##### **Purpose of recodification**

Sec. 2. The purpose of the recodification act of the 2002 regular session of the general assembly is to recodify prior property law in a style that is clear, concise, and easy to interpret and apply. Except to the extent that:

(1) the recodification act of the 2002 regular session of the general assembly is amended to reflect the changes made in a provision of another bill that adds to, amends, or repeals a provision in the recodification act of the 2002 regular session of the general assembly; or

(2) the minutes of meetings of the code revision commission during 2001 expressly indicate a different purpose;

the substantive operation and effect of the prior property law continue uninterrupted as if the recodification act of the 2002 regular session of the general assembly had not been enacted.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-3**

##### **Statutory construction of recodification**

Sec. 3. Subject to section 2 of this chapter, sections 4 through 9 of this chapter shall be applied to the statutory construction of the recodification act of the 2002 regular session of the general assembly.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-4**

##### **Effect of recodification**

Sec. 4. (a) The recodification act of the 2002 regular session of the general assembly does not affect:

- (1) any rights or liabilities accrued;
- (2) any penalties incurred;

(3) any violations committed;  
(4) any proceedings begun;  
(5) any bonds, notes, loans, or other forms of indebtedness issued, incurred, or made;  
(6) any tax levies made or authorized;  
(7) any funds established;  
(8) any patents issued;  
(9) the validity, continuation, or termination of any contracts, easements, or leases executed;  
(10) the validity, continuation, scope, termination, suspension, or revocation of:  
    (A) permits;  
    (B) licenses;  
    (C) certificates of registration;  
    (D) grants of authority; or  
    (E) limitations of authority; or  
(11) the validity of court decisions entered regarding the constitutionality of any provision of the prior property law;  
before the effective date of the recodification act of the 2002 regular session of the general assembly (July 1, 2002). Those rights, liabilities, penalties, offenses, proceedings, bonds, notes, loans, other forms of indebtedness, tax levies, funds, patents, contracts, leases, permits, licenses, certificates of registration, grants of authority, or limitations of authority continue and shall be imposed and enforced under prior property law as if the recodification act of the 2002 regular session of the general assembly had not been enacted.

(b) The recodification act of the 2002 regular session of the general assembly does not:

- (1) extend, or cause to expire, a permit, license, certificate of registration, or other grant or limitation of authority; or
- (2) in any way affect the validity, scope, or status of a license, permit, certificate of registration, or other grant or limitation of authority;

issued under the prior property law.

(c) The recodification act of the 2002 regular session of the general assembly does not affect the revocation, limitation, or suspension of a permit, license, certificate of registration, or other grant or limitation of authority based in whole or in part on violations of the prior property law or the rules adopted under the prior property law.

*As added by P.L.2-2002, SEC.1.*

### **IC 32-16-1-5**

#### **Recodification of prior property law**

Sec. 5. The recodification act of the 2002 regular session of the general assembly shall be construed as a recodification of prior property law. Except as provided in section 2(1) and 2(2) of this chapter, if the literal meaning of the recodification act of the 2002 regular session of the general assembly (including a literal application of an erroneous change to an internal reference) would

result in a substantive change in the prior property law, the difference shall be construed as a typographical, spelling, or other clerical error that must be corrected by:

- (1) inserting, deleting, or substituting words, punctuation, or other matters of style in the recodification act of the 2002 regular session of the general assembly; or
- (2) using any other rule of statutory construction;

as necessary or appropriate to apply the recodification act of the 2002 regular session of the general assembly in a manner that does not result in a substantive change in the law. The principle of statutory construction that a court must apply the literal meaning of an act if the literal meaning of the act is unambiguous does not apply to the recodification act of the 2002 regular session of the general assembly to the extent that the recodification act of the 2002 regular session of the general assembly is not substantively identical to the prior property law.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-6**

##### **References to repealed statutes**

Sec. 6. Subject to section 9 of this chapter, a reference in a statute or rule to a statute that is repealed and replaced in the same or a different form in the recodification act of the 2002 regular session of the general assembly shall be treated after the effective date of the new provision as a reference to the new provision.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-7**

##### **References to citations**

Sec. 7. A citation reference in the recodification act of the 2002 regular session of the general assembly to another provision of the recodification act of the 2002 regular session of the general assembly shall be treated as including a reference to the provision of prior property law that is substantively equivalent to the provision of the recodification act of the 2002 regular session of the general assembly that is referred to by the citation reference.

*As added by P.L.2-2002, SEC.1.*

#### **IC 32-16-1-8**

##### **References to prior rules**

Sec. 8. (a) As used in the recodification act of the 2002 regular session of the general assembly, a reference to rules adopted under any provision of this title or under any other provision of the recodification act of the 2002 regular session of the general assembly refers to either:

- (1) rules adopted under the recodification act of the 2002 regular session of the general assembly; or
  - (2) rules adopted under the prior property law until those rules have been amended, repealed, or superseded.
- (b) Rules adopted under the prior property law continue in effect

after June 30, 2002, until the rules are amended, repealed, or suspended.

*As added by P.L.2-2002, SEC.1.*

### **IC 32-16-1-9**

#### **References to prior property law**

Sec. 9. (a) A reference in the recodification act of the 2002 regular session of the general assembly to a citation in the prior property law before its repeal is added in certain sections of the recodification act of the 2002 regular session of the general assembly only as an aid to the reader.

(b) The inclusion or omission in the recodification act of the 2002 regular session of the general assembly of a reference to a citation in the prior property law before its repeal does not affect:

- (1) any rights or liabilities accrued;
- (2) any penalties incurred;
- (3) any violations committed;
- (4) any proceedings begun;
- (5) any bonds, notes, loans, or other forms of indebtedness issued, incurred, or made;
- (6) any tax levies made;
- (7) any funds established;

  - (A) permits;
  - (B) licenses;
  - (C) certificates of registration;
  - (D) grants of authority; or
  - (E) limitations of authority; or

(11) the validity of court decisions entered regarding the constitutionality of any provision of the prior property law; before the effective date of the recodification act of the 2002 regular session of the general assembly (July 1, 2002). Those rights, liabilities, penalties, offenses, proceedings, bonds, notes, loans, other forms of indebtedness, tax levies, funds, patents, contracts, leases, licenses, permits, certificates of registration, and other grants of authority continue and shall be imposed and enforced under prior property law as if the recodification act of the 2002 regular session of the general assembly had not been enacted.

(c) The inclusion or omission in the recodification act of the 2002 regular session of the general assembly of a citation to a provision in the prior property law does not affect the use of a prior conviction, violation, or noncompliance under the prior property law as the basis for revocation of a license, permit, certificate of registration, or other grant of authority under the recodification act of the 2002 regular session of the general assembly, as necessary or appropriate to apply the recodification act of the 2002 regular session of the general

assembly in a manner that does not result in a substantive change in the law.

(b) A written assignment described in subsection (a) is effective upon the death of the owner if the assignment is:

- (1) executed; and
- (2) delivered;

to the contract obligor before the death of the owner.

(c) A beneficiary assignment described in this section is not required to be supported by consideration or delivered to the assignee beneficiary.

(d) This section does not preclude other methods of assignment that are permitted by law and have the effect of postponing the enjoyment of the contract right until after the death of the owner.

#### **Transfer on death deeds**

Sec. 11. (a) A transfer on death deed transfers the interest provided to the beneficiary if the transfer on death deed is:

- (1) executed by the owner or owner's legal representative; and
- (2) recorded with the recorder of deeds in the county in which the real property is situated before the death of the owner.

(b) A transfer on death deed is void if it is not recorded with the recorder of deeds in the county in which the real property is situated before the death of the owner.

(c) A transfer on death deed is not required to be supported by consideration or delivered to the grantee beneficiary.

(d) A transfer on death deed may be used to transfer an interest in real property to either a revocable or an irrevocable trust.

(e) If the owner records a transfer on death deed, the effect of the recording the transfer on death deed is determined as follows:

- (1) If the owner's interest in the real property is as a tenant by the entirety, the conveyance is inoperable and void unless the other spouse joins in the conveyance.
- (2) If the owner's interest in the real property is as a joint tenant with rights of survivorship, the conveyance severs the joint tenancy and the cotenancy becomes a tenancy in common.

(3) If the owner's interest in the real property is as a joint tenant with rights of survivorship and the property is subject to a beneficiary designation, a conveyance of any joint owner's interest has no effect on the original beneficiary designation for the nonsevering joint tenant.

(4) If the owner's interest is as a tenant in common, the owner's interest passes to the beneficiary as a transfer on death transfer.

(5) If the owner's interest is a life estate determined by the owner's life, the conveyance is inoperable and void.

(6) If the owner's interest is any other interest, the interest passes in accordance with this chapter and the terms and conditions of the conveyance establishing the interest. If a conflict exists between the conveyance establishing the interest and this chapter, the terms and conditions of the conveyance establishing the interest prevail.

(f) A beneficiary designation in a transfer on death deed may be worded in substance as "(insert owner's name) conveys and warrants (or quitclaims) to (insert owner's name), TOD to (insert beneficiary's name)". This example is not intended to be exhaustive.

(g) A transfer on death deed using the phrase "pay on death to" or the abbreviation "POD" may not be construed to require the liquidation of the real property being transferred.

(h) This section does not preclude other methods of conveying real property that are permitted by law and have the effect of postponing enjoyment of an interest in real property until after the death of the owner. This section applies only to transfer on death deeds and does not invalidate any deed that is otherwise effective by law to convey title to the interest and estates provided in the deed.

(i) The endorsement of the auditor under IC 36-2-11-14 is not necessary to record a transfer on death deed.

### **Transfer on death transfers of tangible personal property**

Sec. 12. (a) A deed of gift, bill of sale, or other writing intended to transfer an interest in tangible personal property is effective on the death of the owner and transfers ownership to the designated transferee beneficiary if the document:

(1) expressly creates ownership in beneficiary form;

(2) is in other respects sufficient to transfer the type of property involved; and

(3) is executed by the owner and acknowledged before a notary public or other person authorized to administer oaths.

(b) A beneficiary transfer document described in this section is not required to be supported by consideration or delivered to the transferee beneficiary.

(c) This section does not preclude other methods of transferring ownership of tangible personal property that are permitted by law and have the effect of postponing enjoyment of the property until

after the death of the owner.

Sec. 13. (a) A transferor of property, with or without consideration, may execute a written instrument directly transferring the property to a transferee to hold as owner in beneficiary form.

(b) A transferee under an instrument described in subsection (a) is considered the owner of the property for all purposes and has all the rights to the property provided by law to the owner of the property, including the right to revoke or change the beneficiary designation.

(c) A direct transfer of property to a transferee to hold as owner in beneficiary form is effective when the written instrument perfecting the transfer becomes effective to make the transferee the owner.

#### **Registration in beneficiary form**

Sec. 14. (a) Property may be held or registered in beneficiary form by including in the name in which the property is held or registered a direction to transfer the property on the death of the owner to a beneficiary designated by the owner.

(b) Property is registered in beneficiary form by showing on the account record, security certificate, or instrument evidencing ownership of the property:

- (1) the name of the owner and, if applicable, the estate by which two (2) or more joint owners hold the property; and
- (2) an instruction substantially similar in form to "transfer on death to (insert name of beneficiary)".

An instruction to "pay on death to (insert name of the beneficiary)" and the use of the abbreviations "TOD" and "POD" are also permitted by this section.

(c) Only a transferring entity or a person authorized by the transferring entity may place a transfer on death direction described by this section on an account record, a security certificate, or an instrument evidencing ownership of property.

(d) A transfer on death direction described by this section is effective on the death of the owner and transfers the owner's interest in the property to the designated beneficiary if:

- (1) the property is registered in beneficiary form before the death of the owner; or
- (2) the transfer on death direction is delivered to the transferring entity before the owner's death.

(e) An account record, security certificate, or instrument evidencing ownership of property that contains a transfer on death direction written as part of the name in which the property is held or registered is conclusive evidence, in the absence of fraud, duress,

undue influence, lack of capacity, or mistake, that the direction was:

- (1) regularly made by the owner;
- (2) accepted by the transferring entity; and
- (3) not revoked or changed before the owner's death.

##### **Beneficiary's rights before the death of the owner; effect of the death of a joint owner**

Sec. 15. (a) Before the death of the owner, a beneficiary has no rights in the property because of the beneficiary designation. The signature or agreement of the beneficiary is not required for any transaction relating to property transferred under this chapter. If a lienholder takes action to enforce a lien, by foreclosure or otherwise through a court proceeding, it is not necessary to join the beneficiary as a party defendant in the action unless the beneficiary has another interest in the real property that has vested.

(b) On the death of one (1) of two (2) or more joint owners, property with respect to which a beneficiary designation has been made belongs to the surviving joint owner or owners. If at least two (2) joint owners survive, the right of survivorship continues as between the surviving owners.

(c) On the death of a tenant by the entireties, property with respect to which a beneficiary designation has been made belongs to the surviving tenant.

(d) On the death of the owner, property with respect to which a beneficiary designation has been made passes by operation of law to the beneficiary.

(e) If two (2) or more beneficiaries survive, there is no right of survivorship among the beneficiaries when the death of a beneficiary occurs after the death of the owner unless the beneficiary designation expressly provides for survivorship among the beneficiaries. Except as expressly provided otherwise, the surviving beneficiaries hold their separate interest in the property as tenants in common. The share of any beneficiary who dies after the owner dies belongs to the deceased beneficiary's estate.

(f) If no beneficiary survives the owner, the property belongs to the estate of the owner unless the beneficiary designation directs the transfer to a substitute beneficiary in the manner required by section 22 of this chapter.

#### **IC 32-17-14-16**

##### **Changing or revoking a beneficiary designation**

Sec. 16. (a) A beneficiary designation may be revoked or changed during the lifetime of the owner.

(b) A revocation or change of a beneficiary designation involving property owned as tenants by the entirety must be made with the agreement of both tenants for so long as both tenants are alive. After

an individual dies owning as a tenant by the entirety property that is subject to a beneficiary designation, the individual's surviving spouse may revoke or change the beneficiary designation.

(c) A revocation or change of a beneficiary designation involving property owned in a form of ownership (other than as tenants by the entirety) that restricts conveyance of the interest unless another person joins in the conveyance must be made with the agreement of each living owner required to join in a conveyance.

(d) A revocation or change of a beneficiary designation involving property owned by joint owners with a right of survivorship must be made with the agreement of each living owner.

(e) A subsequent beneficiary designation revokes a prior beneficiary designation unless the subsequent beneficiary designation expressly provides otherwise.

(f) A revocation or change in a beneficiary designation must comply with the terms of any governing instrument, this chapter, and any other applicable law.

(g) A beneficiary designation may not be revoked or changed by a will or trust unless the beneficiary designation expressly grants the owner the right to revoke or change the beneficiary designation by a will or trust.

(h) A transfer during the owner's lifetime of the owner's interest in the property, with or without consideration, terminates the beneficiary designation with respect to the property transferred.

(i) The effective date of a revocation or change in a beneficiary designation is determined in the same manner as the effective date of a beneficiary designation.

(j) An owner may revoke a beneficiary designation made in a transfer on death deed by executing and recording before the death of the owner with the recorder of deeds in the county in which the real property is situated either:

- (1) a subsequent deed of conveyance revoking, omitting, or changing the beneficiary designation; or
- (2) an affidavit acknowledged or proved under IC 32-21-2-3 that revokes or changes the beneficiary designation.

(k) A physical act, such as a written modification on or the destruction of a transfer on death deed after the transfer on death deed has been recorded, has no effect on the beneficiary designation.

(l) A transfer on death deed may not be revoked or modified by will or trust.

#### **Powers of an attorney in fact, a guardian, a conservator, or an agent**

Sec. 17. (a) An attorney in fact, guardian, conservator, or other agent acting on the behalf of the owner of property may make, revoke, or change a beneficiary designation if:

- (1) the action complies with the terms of this chapter and any

other applicable law; and

(2) the action is not expressly forbidden by the document establishing the agent's right to act on behalf of the owner.

(b) An attorney in fact, guardian, conservator, or other agent may withdraw, sell, pledge, or otherwise transfer property that is subject to a beneficiary designation notwithstanding the fact that the effect of the transaction may be to extinguish a beneficiary's right to receive a transfer of the property at the death of the owner.

(c) The rights of a beneficiary to any part of property that is subject to a beneficiary designation after the death of the owner are determined under IC 29-3-8-6.5 if:

(1) a guardian or conservator takes possession of the property;

(2) the guardian sells, transfers, encumbers, or consumes the property during the protected person's lifetime; and

(3) the owner subsequently dies.

#### **Lost, destroyed, damaged, or involuntarily converted property subject to a beneficiary designation**

Sec. 18. If property subject to a beneficiary designation is lost, destroyed, damaged, or involuntarily converted during the owner's lifetime, the beneficiary succeeds to any right with respect to the loss, destruction, damage, or involuntary conversion that the owner would have had if the owner had survived. However, the beneficiary has no interest in any payment or substitute property received by the owner during the owner's lifetime.

#### **Effect of conveyances, assignments, contracts, set offs, licenses, easements, liens, and security interests**

Sec. 19. (a) A beneficiary of a transfer on death transfer takes the owner's interest in the property at the death of the owner subject to all conveyances, assignments, contracts, set offs, licenses, easements, liens, and security interests made by the owner or to which the owner was subject during the owner's lifetime.

(b) A beneficiary of a transfer on death transfer of an account with a bank, savings and loan association, credit union, broker, or mutual fund takes the owner's interest in the property at the death of the owner subject to all requests for payment of money issued by the owner before the owner's death, whether paid by the transferring entity before or after the owner's death, or unpaid. The beneficiary is liable to the payee of an unsatisfied request for payment to the extent that the request represents an obligation that was enforceable against the owner during the owner's lifetime.

(c) Each beneficiary's liability with respect to an unsatisfied request for payment is limited to the same proportionate share of the request for payment as the beneficiary's proportionate share of the account under the beneficiary designation. Each beneficiary has the

right of contribution from the other beneficiaries with respect to a request for payment that is satisfied after the owner's death, to the extent that the request for payment would have been enforceable by the payee during the owner's lifetime.

##### **Trusts as designated beneficiaries**

Sec. 21. (a) A trustee of a trust may be a designated beneficiary regardless of whether the trust is amendable, revocable, irrevocable, funded, unfunded, or amended after the designation is made.

(b) Unless a beneficiary designation provides otherwise, a trust that is revoked or terminated before the death of the owner is considered nonexistent at the owner's death.

(c) Unless a beneficiary designation provides otherwise, a legal entity or trust that does not:

- (1) exist; or
- (2) come into existence effective as of the owner's death;

is considered nonexistent at the owner's death.

(d) For purposes of this section, an owner's testamentary trust is considered to have come into existence as of the owner's death if the owner's last will and testament is admitted to probate.

#### **IC 32-17-14-22**

##### **Substitution for designated beneficiaries who do not survive the owner**

Sec. 22. (a) Notwithstanding sections 9 and 20 of this chapter, a designated beneficiary's rights under this chapter are not extinguished when the designated beneficiary does not survive the owner if:

- (1) subsection (b) applies in the case of a designated beneficiary who is a lineal descendant of the owner; or
- (2) subsection (d) applies in the case of a designated beneficiary who is not a lineal descendant of the owner.

(b) If a designated beneficiary who is a lineal descendant of the owner:

- (1) is deceased at the time the beneficiary designation is made;
- (2) does not survive the owner; or
- (3) is treated as not surviving the owner;

the beneficiary's right to a transfer on death transfer belongs to the beneficiary's lineal descendants per stirpes who survive the owner unless the owner provides otherwise under subsection (c).

(c) An owner may execute a beneficiary designation to which subsection (b) does not apply by:

- (1) making the notation "No LDPS" after a beneficiary's name; or
- (2) including other words negating an intention to direct the transfer to the lineal descendant substitutes of the nonsurviving beneficiary.

(d) An owner may execute a beneficiary designation that provides that the right to a transfer on death transfer belonging to a beneficiary who is not a lineal descendant of the owner and does not survive the owner belongs to the beneficiary's lineal descendants per stirpes who survive the owner. An owner's intent to direct the transfer to the nonsurviving beneficiary's lineal descendants must be shown by either of the following on the beneficiary designation after the name of the beneficiary:

- (1) The words "and lineal descendants per stirpes".
- (2) The notation "LDPS".

(e) When two (2) or more individuals receive a transfer on death transfer as substitute beneficiaries under subsection (b) or (d), the individuals are entitled to equal shares of the property if they are of the same degree of kinship to the nonsurviving beneficiary. If the substitute beneficiaries are of unequal degrees of kinship, an individual of a more remote degree is entitled by representation to the share that would otherwise belong to the individual's parent.

(f) If:

- (1) a designated beneficiary of a transfer on death transfer does not survive the owner;
- (2) either subsection (b) or (d) applies; and
- (3) no lineal descendant of the designated beneficiary survives the owner;

the right to receive the property transferred belongs to the other surviving beneficiaries. If no other beneficiary survives the owner, the property belongs to the owner's estate.

### **IC 32-17-14-23**

#### **Effect of dissolution or annulment**

Sec. 23. (a) If, after an owner makes a beneficiary designation, the owner's marriage is dissolved or annulled, any provision of the beneficiary designation in favor of the owner's former spouse is revoked on the date the marriage is dissolved or annulled. Revocation under this subsection is effective regardless of whether the beneficiary designation refers to the owner's marital status. The beneficiary designation is given effect as if the former spouse had not survived the owner.

(b) Subsection (a) does not apply to a provision of a beneficiary designation that:

- (1) has been made irrevocable, or revocable only with the spouse's consent;
- (2) is made after the marriage is dissolved or annulled; or
- (3) expressly states that the dissolution or annulment of the marriage does not affect the designation of a spouse or a relative of the spouse as a beneficiary.

(c) A provision of a beneficiary designation that is revoked solely by subsection (a) is revived by the owner's remarriage to the former spouse or by a nullification of the dissolution or annulment of the marriage.

##### **Rights of surviving spouses and children**

Sec. 25. (a) In accordance with IC 32-17-13, a transfer on death transfer may be subject to the payment of the surviving spouse and family allowances under IC 29-1-4-1.

(b) A beneficiary designation designating the children of the owner or children of any other person as a class and not by name includes all children of the person regardless of whether the child is born or adopted before or after the beneficiary designation is made.

(c) Except as provided in subsection (d), a child of the owner born or adopted after the owner makes a beneficiary designation that names another child of the owner as the beneficiary is entitled to receive a fractional share of the property that would otherwise be transferred to the named beneficiary. The share of the property to which each child of the owner is entitled to receive is expressed as a fraction in which the numerator is one (1) and the denominator is the total number of the owner's children.

(d) A beneficiary designation or a governing instrument may provide that subsection (c) does not apply to an owner's beneficiary designation. In addition, a transferring entity is not obligated to apply subsection (c) to property registered in beneficiary form.

(e) If a beneficiary designation does not name any child of the owner as the designated beneficiary with respect to a particular property interest, a child of the owner born or adopted after the owner makes the beneficiary designation is not entitled to any share of the property interest subject to the designation.

### **General rules applying to a beneficiary designation**

Sec. 26. (a) If an agreement between the owner and a transferring entity is required to carry out a transfer on death transfer as described in section 7 of this chapter, a transferring entity may not adopt rules for the making, execution, acceptance, and revocation of a beneficiary designation that are inconsistent with this chapter.

(b) The following rules apply to a beneficiary designation:

- (1) A beneficiary designation or a request for registration of property in beneficiary form must be made in writing, signed by the owner, dated, and, in the case of a transfer on death deed, compliant with all requirements for the recording of deeds.
- (2) A security that is not registered in the name of the owner may be registered in beneficiary form on instructions given by a broker or person delivering the security.
- (3) A beneficiary designation may designate one (1) or more primary beneficiaries and one (1) or more contingent beneficiaries.
- (4) On property registered in beneficiary form, a primary beneficiary is the person shown immediately following the transfer on death direction. Words indicating that the person is a primary beneficiary are not required. The name of a contingent beneficiary in the registration must have the words "contingent beneficiary" or words of similar meaning to indicate the contingent nature of the interest being transferred.
- (5) Multiple surviving beneficiaries share equally in the property being transferred unless a different percentage or fractional share is stated for each beneficiary. If a percentage or fractional share is designated for multiple beneficiaries, the surviving beneficiaries share in the proportion that their designated shares bear to each other.
- (6) A transfer of unequal shares to multiple beneficiaries for property registered in beneficiary form may be expressed in numerical form following the name of the beneficiary in the registration.
- (7) A transfer on death transfer of property also transfers any interest, rent, royalties, earnings, dividends, or credits earned or declared on the property but not paid or credited before the owner's death.
- (8) If a distribution by a transferring entity under a transfer on death transfer results in fractional shares in a security or other property that is not divisible, the transferring entity may distribute the fractional shares in the name of all beneficiaries as tenants in common or as the beneficiaries may direct, or the transferring entity may sell the property that is not divisible and distribute the proceeds to the beneficiaries in the proportions to which they are entitled.
- (9) On the death of the owner, the property, minus all amounts and charges owed by the owner to the transferring entity, belongs to the surviving beneficiaries and, in the case of

substitute beneficiaries permitted under section 22 of this chapter, the lineal descendants of designated beneficiaries who did not survive the owner are entitled to the property as follows:

(A) If there are multiple primary beneficiaries and a primary beneficiary does not survive the owner and does not have a substitute under section 22 of this chapter, the share of the nonsurviving beneficiary is allocated among the surviving beneficiaries in the proportion that their shares bear to each other.

(B) If there are no surviving primary beneficiaries and there are no substitutes for the nonsurviving primary beneficiaries under section 22 of this chapter, the property belongs to the surviving contingent beneficiaries in equal shares or according to the percentages or fractional shares stated in the registration.

(C) If there are multiple contingent beneficiaries and a contingent beneficiary does not survive the owner and does not have a substitute under section 22 of this chapter, the share of the nonsurviving contingent beneficiary is allocated among the surviving contingent beneficiaries in the proportion that their shares bear to each other.

(10) If a trustee designated as a beneficiary:

(A) does not survive the owner;

(B) resigns; or

(C) is unable or unwilling to execute the trust as trustee and no successor trustee is appointed in the twelve (12) months following the owner's death;

the transferring entity may make the distribution as if the trust did not survive the owner.

(11) If a trustee is designated as a beneficiary and no affidavit of certification of trust or probated will creating an express trust is presented to the transferring entity within the twelve (12) months after the owner's death, the transferring entity may make the distribution as if the trust did not survive the owner.

(12) If the transferring entity is not presented evidence during the twelve (12) months after the owner's death that there are lineal descendants of a nonsurviving beneficiary for whom LDPS distribution applies who survived the owner, the transferring entity may make the transfer as if the nonsurviving beneficiary's descendants also failed to survive the owner.

(13) If a beneficiary cannot be located at the time the transfer is made to located beneficiaries, the transferring entity shall hold the missing beneficiary's share. If the missing beneficiary's share is not claimed by the beneficiary or by the beneficiary's personal representative or successor during the twelve (12) months after the owner's death, the transferring entity shall transfer the share as if the beneficiary did not survive the owner.

(14) A transferring entity has no obligation to attempt to locate a missing beneficiary, to pay interest on the share held for a

missing beneficiary, or to invest the share in any different property.

(15) Cash, interest, rent, royalties, earnings, or dividends payable to a missing beneficiary may be held by the transferring entity at interest or reinvested by the transferring entity in the account or in a dividend reinvestment account associated with a security held for the missing beneficiary.

(16) If a transferring entity is required to make a transfer on death transfer to a minor or an incapacitated adult, the transfer may be made under the Indiana Uniform Transfers to Minors Act, the Indiana Uniform Custodial Trust Act, or a similar law of another state.

(17) A written request for the execution of a transfer on death transfer may be made by any beneficiary, a beneficiary's legal representative or attorney in fact, or the owner's personal representative.

(18) A transfer under a transfer on death deed occurs automatically upon the owner's death subject to the requirements of subdivision (20) and does not require a request for the execution of the transfer.

(19) A written request for the execution of a transfer on death transfer must be accompanied by the following:

(A) A certificate or instrument evidencing ownership of the contract, account, security, or property.

(B) Proof of the deaths of the owner and any nonsurviving beneficiary.

(C) An inheritance tax waiver from states that require it.

(D) In the case of a request by a legal representative, a copy of the instrument creating the legal authority or a certified copy of the court order appointing the legal representative.

(E) Any other proof of the person's entitlement that the transferring entity may require.

(20) On the death of an owner whose transfer on death deed has been recorded, the beneficiary shall file an affidavit in the office of the recorder of the county in which the real property is located. The affidavit must be endorsed by the county auditor under IC 36-2-11-14 in order to be recorded. The affidavit must contain the following:

(A) The legal description of the property.

(B) A certified copy of the death certificate certifying the owner's death.

(C) The name and address of each designated beneficiary who survives the owner or is in existence on the date of the owner's death.

(D) The name of each designated beneficiary who has not survived the owner's death or is not in existence on the date of the owner's death.

(E) A cross-reference to the recorded transfer on death deed.

(c) A beneficiary designation is presumed to be valid. A party may rely on the presumption of validity unless the party has actual

knowledge that the beneficiary designation was not validly executed. A person who acts in good faith reliance on a transfer on death deed is immune from liability to the same extent as if the person had dealt directly with the named owner and the named owner had been competent and not incapacitated.

- (1) are with parties other than a transferring entity or purchaser or lender for value; and
- (2) concern the ownership of property transferred under this chapter.

(b) Unless the payment or transfer can no longer be challenged because of adjudication, estoppel, or limitations, a transferee of money or property under a transfer on death transfer that was improperly distributed or paid is liable for:

- (1) the return of the money or property, including income earned on the money or property, to the transferring entity; or
- (2) the delivery of the money or property, including income earned on the money or property, to the rightful transferee.

In addition, the transferee is liable for the amount of attorney's fees and costs incurred by the rightful transferee in bringing the action in court.

(c) If a transferee of money or property under a transfer on death transfer that was improperly distributed or paid does not have the property, the transferee is liable for an amount equal to the sum of:

  - (A) the transfer was improper; or
  - (B) information in an affidavit provided under section 26(b)(20) of this chapter was not true;

takes the property free of any claims of or liability to the owner's estate, creditors of the owner's estate, persons claiming rights as beneficiaries of the transfer on death transfer, or heirs of the owner's estate. A purchaser or lender for value has no duty to verify sworn information relating to the transfer on death transfer.

(f) The protection provided by subsection (e) applies to information that relates to the beneficiary's ownership interest in the property and the beneficiary's right to sell, encumber, and transfer

good title to a purchaser or lender but does not relieve a purchaser or lender from the notice provided by instruments of record with respect to the property.

(g) A transfer on death transfer that is improper under section 22, 23, 24, or 25 of this chapter imposes no liability on the transferring entity if the transfer is made in good faith. The remedy of a rightful transferee must be obtained in an action against the improper transferee.

#### **Sale of property; partition of land**

Sec. 10. (a) The trustee, as soon as possible after an appraisal is filed, shall collect the rights and credits of the assignor. Except for property set off by the assignor as exempt, the trustee shall sell at public auction the appraised property after giving thirty (30) days notice of the time and place of sale:

(b) The trustee shall sell the appraised property to the highest bidder for cash, or upon credit, the trustee taking notes with security to be approved by the trustee, waiving relief from valuation or appraisal laws, payable not more than twelve (12) months after the date, with interest.

(c) The trustee must make a full return, under oath, of the sale to

the clerk of the circuit court. The clerk shall file the return with the other papers in the case. However, a court may, upon the sworn petition of the trustee, a creditor, or the assignor, for good cause shown, extend the time for selling the property, or any part of the property, for as much time as the court determines will serve the best interests of the creditors. The court may extend the credit on sales for not more than two (2) years.

(d) The court may, upon the sworn petition of the trustee or of a majority of the creditors showing that the property may deteriorate in value by delay or that it will be beneficial to the creditors to have an early sale order the property sold upon notice of the time, place, and terms of sale, and in a manner the court determines is best.

(e) The court may authorize the property sold at private sale at not less than its appraised value if it is shown that a private sale would be beneficial to the creditors of the assignor. The court shall supervise the estate of the assignor and may make all necessary orders in the interest of the creditors for its control and management by the trustee before the sale. In the interest of all parties, the court may upon petition of the assignee, if the wife of the assignor is a party to the petition, order partition of the land of the assignor, before sale, between the assignee and wife of the assignor. The court shall set off to the wife her inchoate one-third (1/3) in the land before sale. If the court finds that the land cannot be partitioned without detriment to the interest of the creditors of the assignor, the court may make an order directing the sale of all the land conveyed to the assignee by the assignor, including the wife's one-third (1/3) inchoate interest. The one-third (1/3) of the money for which the land is sold shall be paid to the wife of the assignor when collected. The assignee shall, after sale, compel the trustee to report the money in the trustee's hands for distribution, and shall compel the money to be paid into court for distribution if the assets are shown to be sufficient to pay a ten percent (10%) dividend upon the indebtedness. The distribution may be ordered from time to time when, on application of any person interested, it is shown to the court that there is sufficient funds in the hands of the trustee to pay the dividend of ten percent (10%).

In all cases in which the trustee has refused to allow a claim, and in which a creditor objects to the allowance of the claim of another creditor, the judge may order the case to stand for trial at the next term of the court. The trial shall be governed by the rules regulating the trials of similar actions in the circuit court. If, after trial of the claim, the court is satisfied that the claim is valid and just, the court shall order the claim to be allowed and paid as other similar claims are paid. The court shall also make an order with respect to costs as the court considers just.

(b) However, if the trustee is satisfied that the general fund would be materially increased by the payment of the liens or encumbrances, the trustee shall make application, by petition, to the judge of the circuit court for an order to pay the liens and encumbrances before selling the property. Before the holder of any lien or encumbrance is entitled to receive any part of the holder's debt from the general fund, the holder shall proceed to enforce the payment of the debt by sale, or otherwise, of the property on which the lien or encumbrance exists. For the residue of the claim, the holder of the lien or encumbrance shall share pro rata with the other creditors, if entitled to do so under Indiana law.

**IC 32-18-2-13****Value**

Sec. 13. (a) Value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied. Value does not include an unperformed promise made otherwise than in the ordinary course of the promisor's business to furnish support to the debtor or another person.

(b) For purposes of sections 14(2) and 15 of this chapter, a person gives a reasonably equivalent value if the person acquires an interest of the debtor in an asset through a regularly conducted, noncollusive foreclosure sale or execution of a power of sale for the acquisition or disposition of the interest of the debtor upon default under a mortgage, deed of trust, or security agreement.

(c) A transfer is made for present value if the exchange between the debtor and the transferee is intended by the debtor and transferee to be contemporaneous and is in fact substantially contemporaneous.

##### **Transfers fraudulent as to present and future creditors**

Sec. 14. A transfer made or an obligation incurred by a debtor is fraudulent as to a creditor, whether the creditor's claim arose before or after the transfer was made or the obligation was incurred, if the debtor made the transfer or incurred the obligation:

- (1) with actual intent to hinder, delay, or defraud any creditor of the debtor; or
- (2) without receiving a reasonably equivalent value in exchange for the transfer or obligation, and the debtor:
  - (A) was engaged or was about to engage in a business or a transaction for which the remaining assets of the debtor were unreasonably small in relation to the business or transaction; or
  - (B) intended to incur or believed or reasonably should have believed that the debtor would incur debts beyond the debtor's ability to pay as the debts became due.

#### **IC 32-18-2-15**

##### **Transfers fraudulent as to present creditors**

Sec. 15. A transfer made or an obligation incurred by a debtor is fraudulent as to a creditor whose claim arose before the transfer was made or the obligation was incurred if:

- (1) the debtor made the transfer or incurred the obligation without receiving a reasonably equivalent value in exchange for the transfer or obligation; and
- (2) the debtor:
  - (A) was insolvent at that time; or
  - (B) became insolvent as a result of the transfer or obligation.

*As added by P.L.2-2002, SEC.3.*

#### **IC 32-18-2-16**

##### **When transfer is made or obligation incurred**

Sec. 16. The following apply for purposes of this chapter:

- (1) A transfer is made:
  - (A) with respect to an asset that is real property other than a fixture (but including the interest of a seller or purchaser under a contract for the sale of the asset), when the transfer

is so far perfected that a good faith purchaser of the asset from the debtor against whom applicable law permits the transfer to be perfected cannot acquire an interest in the asset that is superior to the interest of the transferee; and  
(B) with respect to an asset that is not real property or that is a fixture, when the transfer is so far perfected that a creditor on a simple contract cannot acquire a judicial lien (other than under this chapter) that is superior to the interest of the transferee.

(2) If applicable law permits a transfer to be perfected under subdivision (1) and the transfer is not so perfected before the commencement of an action for relief under this chapter, the transfer is considered made immediately before the commencement of the action.

(3) If applicable law does not permit a transfer to be perfected under subdivision (1), the transfer is made when it becomes effective between the debtor and the transferee.

(4) A transfer is not made until the debtor has acquired rights in the asset transferred.

(5) An obligation is incurred:

(A) if oral, when it becomes effective between the parties; or

(B) if evidenced by a writing, when the writing executed by the obligor is delivered to or for the benefit of the obligee.

### **Remedies of creditor**

Sec. 17. (a) In an action for relief against a transfer or an obligation under this chapter, a creditor, subject to the limitations in section 18 of this chapter, may obtain any of the following:

(1) Avoidance of the transfer or obligation to the extent necessary to satisfy the creditor's claim.

(2) An attachment or other provisional remedy against the asset transferred or other property of the transferee in accordance with the procedure prescribed by IC 34-25-2-1 or any other applicable statute providing for attachment or other provisional remedy against debtors generally.

(3) Subject to applicable principles of equity and in accordance with applicable rules of civil procedure, any of the following:

(A) An injunction against further disposition by the debtor or a transferee, or both, of the asset transferred, its proceeds, or of other property.

(B) Appointment of a receiver to take charge of the asset transferred or of the property of the transferee.

(C) Any other relief the circumstances require.

(b) If a creditor has obtained a judgment on a claim against the debtor, the creditor, if the court orders, may levy execution on the asset transferred or its proceeds.

*As added by P.L.2-2002, SEC.3.*

### **IC 32-18-2-18**

#### **Transferee's defenses, liability, and protections**

Sec. 18. (a) A transfer or an obligation is not voidable under section 14(1) of this chapter against a person who took in good faith and for a reasonably equivalent value or against any subsequent transferee or obligee.

(b) Except as otherwise provided in this chapter, to the extent a transfer is voidable in an action by a creditor under section 17(a)(1) of this chapter, the creditor may recover judgment for the value of the asset transferred, as adjusted under subsection (c), or the amount necessary to satisfy the creditor's claim, whichever is less. The judgment may be entered against:

- (1) the first transferee of the asset or the person for whose benefit the transfer was made; or
- (2) any subsequent transferee other than a good faith transferee who took for value or from any subsequent transferee.

(c) If the judgment under subsection (b) is based upon the value of the asset transferred, the judgment must be for an amount equal to the value of the asset at the time of the transfer, subject to adjustment as the equities may require.

(d) Notwithstanding voidability of a transfer or an obligation under this chapter, a good faith transferee or obligee is entitled, to the extent of the value given the debtor for the transfer or obligation, to:

- (1) a lien on or a right to retain any interest in the asset transferred;
- (2) enforcement of any obligation incurred; or
- (3) a reduction in the amount of the liability on the judgment.

(e) A transfer is not voidable under section 14(2) or section 15 of this chapter if the transfer results from:

- (1) termination of a lease upon default by the debtor when the termination is permitted by the lease and applicable law; or
- (2) enforcement of a security interest in compliance with Article 9 of the Uniform Commercial Code.

(2) If brought under section 14(2) or 15(1) of this chapter, an action is extinguished unless it is brought not later than four (4)

years after the transfer was made or the obligation was incurred.

#### **Descriptions of systems; locating position of systems**

Sec. 3. (a) To more precisely describe the Indiana coordinate system of 1927, the following descriptions by the National Ocean Survey/National Geodetic Survey are adopted:

(1) The "Indiana coordinate system of 1927, east zone" is a transverse Mercator projection of the Clarke spheroid of 1866, having a central meridian 85 degrees 40 minutes west of Greenwich, on which meridian the scale is set at one part in 30,000 too small. The origin of coordinates is at the intersection of the meridian 85 degrees 40 minutes west of Greenwich and the parallel 37 degrees 30 minutes north latitude. This origin is given the coordinates:  $x = 500,000$  feet and  $y = 0$  feet.

(2) The "Indiana coordinate system of 1927, west zone" is a transverse Mercator projection of the Clarke spheroid of 1866, having a central meridian 87 degrees 05 minutes west of Greenwich, on which meridian the scale is set at one part in 30,000 too small. The origin of coordinates is at the intersection of the meridian 87 degrees 05 minutes west of Greenwich and the parallel 37 degrees 30 minutes north latitude. This origin is given the coordinates:  $x = 500,000$  feet and  $y = 0$  feet.

(b) To more precisely describe the Indiana coordinate system of 1983, the following description by the National Ocean Survey/National Geodetic Survey is adopted:

(1) The "Indiana coordinate system of 1983, east zone" is a transverse Mercator projection of the North American Datum of 1983, having a central meridian 85 degrees 40 minutes west of Greenwich, on which meridian the scale is set at one part in

30,000 too small. The origin of coordinates is at the intersection of the meridian 85 degrees 40 minutes west of Greenwich and the parallel 37 degrees 30 minutes north latitude. This origin is given the coordinates:  $x = 100,000$  meters and  $y = 250,000$  meters.

(2) The "Indiana coordinate system of 1983, west zone" is a transverse Mercator projection of the North American Datum of 1983, having a central meridian 87 degrees 05 minutes west of Greenwich, on which meridian the scale is set at one part in 30,000 too small. The origin of coordinates is at the intersection of the meridian 87 degrees 05 minutes west of Greenwich and the parallel 37 degrees 30 minutes north latitude. This origin is given the coordinates:  $x = 900,000$  meters and  $y = 250,000$  meters.

(c) To locate the position of the coordinate systems on the surface of the earth in Indiana, the following shall be used:

(1) The position of the Indiana coordinate system of 1927 shall be determined from horizontal geodetic control points established throughout Indiana in conformity with the standards of accuracy and specifications for first-order and second-order geodetic surveying as prepared and published by the Federal Geodetic Control Committee (FGCC) of the United States Department of Commerce, whose geodetic positions have been rigidly adjusted on the North American Datum of 1927, and whose coordinates have been computed on the Indiana coordinate system of 1927. Standards and specifications of the FGCC (or its successors) in force on the date of the survey apply.

(2) The position of the Indiana coordinate system 1983 shall be determined from horizontal geodetic control points established throughout Indiana in conformity with the standards of accuracy and specifications for first-order and second-order geodetic surveying as prepared and published by the Federal Geodetic Control Committee (FGCC) of the United States Department of Commerce, whose geodetic positions have been rigidly adjusted on the North American Datum of 1983, and whose coordinates have been computed on the Indiana coordinate system of 1983. Standards and specifications of the FGCC (or its successors) in force on the date of the survey apply.

#### **IC 32-19-1-4**

##### **Naming and designation of system in land descriptions**

Sec. 4. (a) As established for use in the east zone, the Indiana coordinate system of 1927 or the Indiana coordinate system of 1983:

(1) shall be named; and

(2) in any land description in which it is used, shall be designated the:

(A) "Indiana coordinate system of 1927, east zone"; or

(B) "Indiana coordinate system of 1983, east zone".

(b) As established for use in the west zone, the Indiana coordinate system of 1927 or the Indiana coordinate system of 1983:

(1) shall be named; and

(2) in any land description in which it is used, shall be designated, the:

(A) "Indiana coordinate system of 1927, west zone"; or

(B) "Indiana coordinate system of 1983, west zone".

#### **IC 32-19-1-5**

##### **Tract located in both zones**

Sec. 5. If a tract of land to be defined by a single description extends from one (1) into the other of the east zone or the west zone:

(1) the positions of all points on the boundaries of the tract may be referred to as either the east zone or the west zone; and

(2) the zone that is used must be specifically named in the description.

*As added by P.L.2-2002, SEC.4.*

#### **IC 32-19-1-6**

##### **Use of terms; limits on use of system**

Sec. 6. (a) The use of the term "Indiana coordinate system of 1927" or "Indiana coordinate system of 1983" on any map, report of survey, or other document shall be limited to coordinates based on the Indiana coordinate system described in this chapter.

(b) Beginning January 1, 1990, the Indiana coordinate system of 1927 may not be used, and only the Indiana coordinate system of 1983 may be used.

### **Chapter 2. Coordinates; Geodetic Control Monuments**

#### **IC 32-19-2-1**

##### **Positions expressed by x-coordinate and y-coordinate**

Sec. 1. (a) The plane coordinates of a point on the earth's surface, used to express the position or location of that point in the appropriate zone of the Indiana coordinate system described in IC 32-19-1, must consist of two (2) distances expressed in:

- (1) U.S. Survey feet (1 meter = 39.37/12 feet) and decimals of a foot when using the Indiana coordinate system of 1927; and
- (2) meters and decimals of a meter and United States Survey feet and decimals of a foot when using the Indiana coordinate system of 1983.

(b) The distance described in subsection (a) that gives the position in an east-and-west direction is called the "x-coordinate". The distance described in subsection (a) that gives the position in a north-and-south direction is called the "y-coordinate". These coordinates must be made to depend upon and conform to plane rectangular coordinate values for the monumented points of the North American Horizontal Geodetic Control Network as published by the National Ocean Survey/National Geodetic Survey or its successors, if the successor's plane coordinates have been computed on the Indiana coordinate system of 1927 or the Indiana coordinate system of 1983. Any station may be used for establishing a survey connection to the Indiana coordinate system of 1927 or the Indiana coordinate system of 1983.

#### **IC 32-19-2-2**

##### **Coordinates; reporting requirements**

Sec. 2. (a) Coordinates based on the Indiana coordinate system of 1927 or the Indiana coordinate system of 1983 purporting to define the position of a point on a land boundary may not be presented to be recorded in any public land records or deed records unless the recording document also contains:

- (1) a description of the nearest first-order or second-order horizontal geodetic control monument from which the coordinates being recorded were determined; and
- (2) the method of survey for the determination.

(b) If the position of the described first-order or second-order geodetic control monument is not published by the National Geodetic Survey (or its successors), the recording document must contain a certification signed by a professional surveyor registered under IC 25-21.5 stating that the subject control monument and its coordinates were established and determined in conformance with the specifications given in IC 32-19-1-3.

(c) The publishing of the existing control stations or the acceptance with intent to publish the newly established control stations by the National Geodetic Survey constitutes evidence of

adherence to the FGCC specifications. Horizontal geodetic control monuments shall be permanently monumented and control data sheets prepared and filed so that a densification of the control network is accomplished.

(d) The surveying techniques and positioning systems used to produce first-order or second-order geodetic precision shall be identified. Annotation must accompany state plane coordinate values when they are used to less than second-order precision.

  - (A) easements;
  - (B) use restrictions; or
  - (C) other interests created before the root of title;is not sufficient to preserve them, unless specific identification is made in the muniments of a recorded title transaction that creates the easement, use restriction, or other interest.

  - (B) possession by the same owner continuously for at least fifty (50) years, in accordance with IC 32-20-4-1.
- (3) The rights of any person arising from adverse possession or adverse user, if the period of adverse possession or adverse user was wholly or partly subsequent to the effective date of the root of title.
- (4) Any interest arising out of a title transaction recorded after the effective date of the root of title from which the unbroken

Sec. 3. Subject to section 2 of this chapter, marketable record title is held by its owner and is taken by a person dealing with the land free and clear of all interests, claims, or charges whose existence depends upon any act, transaction, event, or omission that occurred before the effective date of the root of title. All the interests, claims, or charges, however denominated, whether:

### **Chapter 4. Notice of Claim**

#### **IC 32-20-4-1**

##### **Notice of claim; filing**

Sec. 1. (a) A person claiming an interest in land may preserve and keep effective that interest by filing for record during the fifty (50) year period immediately following the effective date of the root of title of the person whose record title would otherwise be marketable, a notice in writing, verified by oath, setting forth the nature of the claim. A disability or lack of knowledge of any kind on the part of anyone does not suspend the running of the fifty (50) year period. Notice may be filed for record by the claimant or by a person acting on behalf of any claimant who is:

- (1) under a disability;
- (2) unable to assert a claim on the claimant's behalf; or
- (3) one (1) of a class whose identity cannot be established or is uncertain at the time of filing the notice of claim for record.

(b) If the same record owner of any possessory interest in land has been in possession of the land continuously for a period of at least fifty (50) years, during which period:

- (1) title transaction with respect to the interest does not appear of record in the record owner's chain of title;
- (2) notice has not been filed by the record owner or on behalf of the record owner as provided in subsection (a); and
- (3) possession continues to the time when marketability is being determined;

the period of possession is considered equivalent to the filing of the notice immediately preceding the termination of the fifty (50) year period described in subsection (a).

(c) If:

- (1) a person claims the benefit of an equitable restriction or servitude that is one (1) of a number of substantially identical mutual restrictions on the use of tracts in a platted subdivision, the plat of which is recorded as provided by law; and
- (2) the subdivision plan provides for an association, corporation, committee, or other similar group that is empowered to determine whether the restrictions are to be terminated or continued at the expiration of a stated period not exceeding fifty (50) years, and, by the terms of this provision, it is determined that:

- (A) the restrictions are not to be terminated; or
- (B) the restrictions are to be continued because no determination to terminate has been made;

then the officer or other person authorized to represent the association, corporation, committee, or other similar group may preserve and keep in effect all the restrictions by filing a notice as provided in subsection (a) on behalf of all owners of land in the subdivision for the benefit of whom the restrictions exist.

Sec. 2. (a) To be effective and to be entitled to be recorded, the notice referred to in section 1 of this chapter must contain the following:

- (1) An accurate and full description of all land affected by the notice in specific terms. However, if the claim is founded upon a recorded instrument, then the description in the notice may be the same as that contained in the recorded instrument.
- (2) The name and address of the claimant.
- (3) The name and address of the person preparing the notice if other than the claimant.

This notice must be filed for record in the office of the recorder of a county where the land described is situated.

(b) A county recorder shall accept all notices presented to the recorder that describe land located in the county that the recorder serves. The recorder shall enter and record full copies of the notice in the same way that deeds are recorded. Each recorder shall charge the same fees for recording a notice as are charged for recording deeds.

(c) Each recorder shall index the notices in the same manner that deeds are indexed. Until the notice is recorded and correctly indexed, a notice does not comply with section 1 of this chapter regarding notice.

#### **IC 32-20-4-3**

##### **Notice of claim; effect of failure to file on lease or easement**

Sec. 3. (a) Failure to file the notice required under this chapter does not bar:

- (1) a lessor or the lessor's successor as a reversioner of the lessor's right to possession on the expiration of any lease; or
- (2) a lessee or the lessee's successor of the lessee's rights in and to any lease.

(b) Failure to file the notice required under this chapter does not bar or extinguish any easement, interest in the nature of an easement, or any rights appurtenant to an easement granted, excepted, or reserved by the instrument creating the easement or interest, including any rights for future use, if the existence of the easement or interest is evidenced by the location beneath, upon, or above any part of the land described in the instrument of any pipe, valve, road, wire, cable, conduit, duct, sewer, track, pole, tower, or other physical facility and whether or not the existence of the facility is observable. However, equitable restrictions or servitudes on the use of land are not considered easements or interests in the nature of easements as that phrase is used in this section.

#### **Rights and privileges transferred**

Sec. 6. A grant or reservation contained in an instrument that affects land in Indiana and that purports to convey or transfer an interest in the oil and gas in, on, under, or that may be produced from beneath the surface of the land transfers the following expressed rights and privileges in addition to any other rights naturally flowing from the character of the instrument in law to the named recipient:

(1) A person in interest in the oil and gas estate in land may enter the land for the purpose of:

(A) exploring, prospecting, testing, surveying, or otherwise investigating the land to determine the potential of the land for oil or gas production; or

(B) otherwise conducting operations for oil and gas on the land;

whether or not the person is also the owner, lessee, or licensee of an owner of an interest in the surface rights in the land.

(2) A person in interest in the oil and gas estate in land in Indiana may enter the land to drill a well or test well on the land for the production or attempted production of oil and gas regardless of whether the:

(A) person is also the owner, lessee, or licensee of an owner of an interest in the surface rights in the land; and

(B) owner of the remaining rights in the land consents to the entrance and drilling.

A person that drills a well under this subdivision shall provide an accounting to the remaining or nonparticipating persons in interest in the oil and gas estate in the land, for their respective proportionate shares of the net profits arising from the

operations conducted upon the land for oil or gas. In calculating the profits, a reduction may not be made from the gross proceeds of the production of oil and gas, except for expenses that are reasonably or necessarily incurred in connection with the drilling, completion, equipping, and operation of the wells drilled upon the premises during the period in which the relationship of cotenancy existed between the person drilling the well and the person whose interest is sought to be charged with the respective proportionate part of the cost of the drilling. (3) A person who may enter and enters land in Indiana for the purpose of exploring, prospecting, testing, surveying, or otherwise investigating the potential of the land for oil and gas, or for the purpose of conducting operations on the land for the production of oil and gas, is accountable to the owner of the surface of the land for the actual damage resulting from the person's activities on the land to:

- (A) the surface of the land;
- (B) improvements to the land; or
- (C) growing crops on the land.

However, a person who enters land under this subdivision is not liable for punitive damages. Actual damage for which a person is accountable under this subdivision includes actual damage to marketable timber, crops, drainage systems, or erosion control systems, or quantifiable and verifiable damage to crops from compaction, abnormal flooding, or abnormal soil erosion caused by oil and gas operations. This subdivision does not increase damages between a lessor and a lessee in a valid and subsisting oil and gas lease that specifies damages if damages are not due other than damages that are expressly provided by contract between cotenants or the lessees of cotenants of a like estate in the land. This section does not authorize the location of a well for oil and gas nearer than two hundred (200) feet to an existing house, barn, or other structure (except fences) without the express consent of the owner of the structure.

(4) The right to conduct operations for oil and gas upon land located in Indiana includes the right to:

- (A) install and maintain physical equipment on the land; and
- (B) use the portion of the surface of the land that is reasonably necessary for the operations;

subject to the payment of damages resulting from the installation only of the equipment specified in this subdivision.

of surveying a drilling location must provide to the surface owner a written notice of the person's intent to enter the property at least five (5) days before the person's entry.

(c) The written notice under subsection (b) may be given by personal delivery or by certified mail:

(2) to the last known address of the most recent owner of the property shown in the transfer book.

(b) This chapter does not deprive a public utility, communication company, cable television company, fiber optic company, or pipeline company of the use of all or part of a right-of-way if, at the time of abandonment, the company:

(b) The circuit or superior court of the county in which the coal land or the major part of the coal land lies may:

- (1) declare a trust in the coal land;
- (2) appoint without a bond a trustee for all persons owning an interest in the coal land who are not plaintiffs or the lessor of the plaintiffs under a valid and subsisting coal lease; and
- (3) authorize the trustee to sell, execute, and deliver a valid lease on the coal land on behalf of each defendant on terms and conditions approved by the circuit court as provided in this chapter.

(c) A lease created under this chapter continues after the termination of the trust, unless the lease has expired by its own terms.

#### **IC 32-23-12-7**

##### **Appointment of trustee**

Sec. 7. Proceedings for the appointment of a trustee may be instituted by any person who is:

*As added by P.L.94-2009, SEC.1.*

#### **IC 32-23-12-8**

##### **Creation of trust to develop coal interest; petition; guardian ad litem; evidence; coal lease; fees**

Sec. 8. (a) The person seeking to create a trust for an interest in coal land for the purpose of leasing and developing the coal interest shall join as a defendant each person who has a legal interest in the coal land, except for any plaintiffs or persons having a legal interest in the coal land who at the time of the action are parties to a valid and existing lease granting to the plaintiff the mining rights sought by the plaintiff. A person who might have a contingent or future interest in the coal land is bound by the judgment entered in the proceedings.

(b) The plaintiff shall file a verified petition that specifically sets forth the following:

- (1) The request of each plaintiff that a trustee be appointed to

execute a lease granting the plaintiff the right to mine and remove coal from the subject coal land.

(2) The legal description of the coal land.

(3) The interest of the plaintiff in the coal within the coal land.

(4) The apparent interest of each defendant in the coal within the coal land.

(5) A statement that the plaintiff is willing to purchase a mineral lease covering the interest of each defendant and that the existence of these unleased mineral interests is detrimental to and impairs the enjoyment of the interest of the plaintiff.

(c) The Indiana rules of trial procedure govern an action under this chapter to make an unknown party a defendant.

(d) The court shall appoint a guardian ad litem for any defendant to the proceeding who is a ward of the state or a ward to another person.

(e) If it appears to the court that a person who is not in being, but upon coming into being, is or may be entitled to any interest in the property sought to be leased, the court shall appoint a guardian ad litem to appear for and represent the interest in the proceeding and to defend the proceeding on behalf of the person not in being. A judgment or order entered by the circuit court in the proceeding is effective against the person not in being.

(f) The court shall receive evidence and hear testimony concerning:

(1) the matters in the plaintiff's petition; and

(2) the prevailing terms of similar coal leases obtained in the vicinity of the coal land in the petition, including the length of the lease term, bonus money, delay rentals, royalty rates, and other forms of lease payments.

If, upon taking evidence and hearing testimony, the court determines that the material allegations of the petition are true and that there has been compliance with the required notice provisions, the court shall enter an order determining the interest of each defendant in the coal land sought to be leased. The court shall also appoint a trustee for the purpose of executing in favor of the plaintiff a coal lease covering the interest of each defendant. The court's judgment appointing the trustee and authorizing the execution of the lease must specify the minimum terms that may be accepted by the trustee. Those terms must be substantially consistent with the terms of other similar coal leases obtained in the vicinity as determined by the court. The terms of the coal lease also must be substantially consistent with the terms of other existing leases, if any, covering the remaining coal interests in the land described in the petition.

(g) The coal land to be covered by a coal lease must be contiguous. To the extent that any of the coal land described in the petition is not contiguous to other coal land in the petition, that coal land must be subject to separate coal leases.

(h) The court shall determine a reasonable fee to be paid to the trustee and the trustee's reasonable attorney's fees and costs of the proceeding, which shall be paid by the plaintiff.

(i) Each plaintiff shall promptly furnish to the court a report of proceedings of the evidence received and testimony taken at the hearing on the petition. The report of proceedings shall be filed and made a part of the case record.

(j) In proceedings under this chapter, the circuit or superior court may:

- (1) investigate and determine questions of conflicting or controverted titles;
- (2) remove invalid and inapplicable encumbrances from the title to the coal land; and
- (3) establish and confirm the title to the coal or the right to mine and remove coal from any of the coal land.

### **IC 32-23-12-9**

#### **Duties of trustee; review of lease; petition for partition**

Sec. 9. (a) The trustee shall:

- (1) enter into negotiations with the plaintiff;
- (2) execute a coal lease in favor of the plaintiff covering the interest of the defendant that reflects the findings and judgment of the circuit or superior court; and
- (3) promptly prepare and file a report of the coal lease stating the terms of the lease and the payments received for the lease and give notice to all parties appearing of record.

(b) The circuit or superior court shall review the coal lease under subsection (a) to determine if the sale is in accordance with the court's findings and judgment. If the circuit or superior court approves the sale of the coal lease, the court shall:

- (1) issue an order confirming the sale; and
- (2) issue an order terminating the trust.

(c) If, before an order confirming the lease pursuant to subsection (b) is issued, a party to the proceedings files, in accordance with subsection (d), a petition for partition under IC 32-17-4 applicable to the coal land, whether solely for the coal estate or for estates in the subject land in addition to and including the coal estate, the proceedings under this chapter shall be stayed during the pendency of the proceeding initiated under IC 32-17-4, and upon any final order of partition or sale in that proceeding, the proceedings under this chapter shall be terminated.

(d) Any petition for partition under IC 32-17-4 applicable to the coal land filed during the pendency of any petition filed under this chapter shall be filed in the same court exercising jurisdiction over the petition filed under this chapter. If any defendant in a proceeding under this chapter files during the pendency of any proceeding under this chapter a petition for partition under IC 32-17-4 applicable to the coal land, and the petition for partition is subsequently dismissed or terminated prior to a final order of partition or sale, the same defendant may not refile a subsequent petition for partition applicable to the coal land under IC 32-17-4 until the proceedings under this chapter are concluded.

(e) If a petition for partition is filed under IC 32-17-4 after an order confirming a lease pursuant to subsection (b) has been issued, any land partitioned or sold shall be partitioned or sold subject to the lease.

(b) After the entry of the initial judgment authorizing a lease, all subsequent proceedings pertaining to the coal land and the coal interest involved in the initial litigation, including subsequent leasing proceedings or proceedings by the trustee requesting authority to execute and deliver additional documents pertaining to a coal lease, must be commenced in the same court as the proceedings for the initial lease. \_\_\_\_\_ (general description of the property to be acquired). We have made you a formal offer for this property that is now on file in the Clerk's Office in the \_\_\_\_\_ County Court House. Please pick up the offer. If you do not respond to this notice or accept the offer by \_\_\_\_\_ (a date 30 days from 1st date of publication) 20\_\_\_\_, we shall file a suit to condemn the property.

\_\_\_\_\_  
Condemnor

The condemnor must file the offer with the clerk of the circuit court with a supporting affidavit that diligent search has been made and that the owner cannot be found. The notice shall be published twice as follows:

- (1) One (1) notice immediately.
- (2) A subsequent publication at least seven (7) days and not more than twenty-one (21) days after the publication under subdivision (1).
- (c) The offer to purchase must be in the following form:

UNIFORM PROPERTY OR EASEMENT  
ACQUISITION OFFER

\_\_\_\_\_ (condemnor) is authorized by Indiana law to obtain your property or an easement across your property for certain public purposes. \_\_\_\_\_ (condemnor) needs (your property) (an easement across your property) for a \_\_\_\_\_ (brief description of the project) and needs to take \_\_\_\_\_ (legal description of the property or easement to be taken; the legal description may be made on a separate sheet and attached to this document if additional space is required)

It is our opinion that the fair market value of the (property) (easement) we want to acquire from you is \$ \_\_\_\_\_, and, therefore, \_\_\_\_\_ (condemnor) offers you \$ \_\_\_\_\_ for the above described (property) (easement). You have thirty (30) days from this date to accept or reject this offer. If you accept this offer, you may expect payment in full within ninety (90) days after signing the documents accepting this offer and executing the easement, and provided there are no difficulties in clearing liens or other problems with title to land. Possession will be required thirty (30) days after you have received your payment in full.

HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND LEGALLY PROTECTED RIGHTS:

1. By law, \_\_\_\_\_ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer and \_\_\_\_\_ (condemnor) is not required to agree to your demands.
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), \_\_\_\_\_ (condemnor) has the right to file suit

to condemn and acquire the (property) (easement) in the county in which the property is located.

4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.

5. You may object to the public purpose and necessity of this project.

6. If \_\_\_\_\_ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.

7. If we both agree with the court appraisers' report, then the matter is settled. However, if either of us disagrees with the appraisers' report to the court, either of us has the right to ask for a trial to decide what should be paid to you for the (property) (easement) condemned.

8. If the court appraisers' report is not accepted by either of us, then \_\_\_\_\_ (condemnor) has the legal option of depositing the amount of the court appraisers' evaluation with the court. And if such a deposit is made with the court, \_\_\_\_\_ (condemnor) is legally entitled to immediate possession of the (property) (easement). You may, subject to the approval of the court, make withdrawals from the amount deposited with the court. Your withdrawal will in no way affect the proceedings of your case in court, except that, if the final judgment awarded you is less than the withdrawal you have made from the amount deposited, you will be required to pay back to the court the amount of the withdrawal in excess of the amount of the final judgment.

9. The trial will decide the full amount of damages you are to receive. Both of us will be entitled to present legal evidence supporting our opinions of the fair market value of the property or easement. The court's decision may be more or less than this offer. You may employ, at your cost, appraisers and attorneys to represent you at this time or at any time during the course of the proceeding described in this notice. (The condemnor may insert here any other information pertinent to this offer or required by circumstances or law).

- (2) the appraiser will honestly and impartially make the assessment.

(b) After the appraisers are sworn as provided in subsection (a), the judge shall instruct the appraisers as to:

- (1) their duties as appraisers; and
- (2) the measure of the damages and benefits, if any, they allow.

(c) The appraisers shall determine and report all of the following:

- (1) The fair market value of each parcel of property sought to be acquired and the value of each separate estate or interest in the property.
- (2) The fair market value of all improvements pertaining to the property, if any, on the portion of the property to be acquired.

(3) The damages, if any, to the residue of the property of the owner or owners caused by taking out the part sought to be acquired.

(4) The other damages, if any, that will result to any persons from the construction of the improvements in the manner proposed by the plaintiff.

(d) If the property is sought to be acquired by the state or by a county for a public highway or a municipal corporation for a public use that confers benefits on any property of the owner, the report must also state the benefits that will accrue to each parcel of property, set opposite the description of each parcel of property whether described in the complaint or not.

(e) Except as provided in subsection (f), in estimating the damages specified in subsection (c), the appraisers may not deduct for any benefits that may result from the improvement.

(f) In the case of a condemnation by the state or by a county for a public highway or a municipal corporation for public use, the appraisers shall deduct any benefits assessed from the amount of damage allowed, if any, under subsection (c)(3) and (c)(4) and the difference, if any, plus the damages allowed under subsection (c)(1) and (c)(2) shall be the amount of the award. However, the damages awarded may not be less than the damages allowed under subsection (c)(1) and (c)(2). Upon the trial of exceptions to the award by either party, a like measure of damages must be followed.

(g) For the purpose of assessing compensation and damages, the right to compensation and damages is considered to have accrued as of the date of the service of the notice provided in section 6 of this chapter, and actual value of compensation and damages at that date shall be:

(2) the basis of damages to property not actually acquired but injuriously affected;

#### **Notice of filing of appraisers' reports; exceptions to reports**

Sec. 11. (a) When a report of the appraisers is filed with a court under this chapter, the circuit court clerk shall send written notice of the filing of the report by certified mail to:

- (1) all known parties to the action; and
- (2) the attorneys of record of the parties.

(b) Any party to an action under this chapter aggrieved by the assessment of benefits or damages in a report of the appraisers may file written exceptions to the assessment in the office of the circuit court clerk. Exceptions to the assessment must be filed by a party:

- (1) after the report of the appraisers is filed with the court; and
- (2) not later than forty-five (45) days after the date the circuit court clerk mails the report under subsection (a).

(c) The cause shall further proceed to issue, trial, and judgment as in civil actions. The court may make orders and render findings and judgments that the court considers just. Either party may appeal a judgment as to benefits or damages as in civil actions.

(d) Forty-five (45) days after the date the circuit court clerk mails the report under subsection (a), and if the plaintiff has paid the amount of damages assessed to the circuit court clerk, any one (1) or more of the defendants may file a written request for payment of each defendant's proportionate share of the damages held by the circuit court clerk. The defendants making a request for payment must also file sufficient copies of the request for service upon the plaintiff and all other defendants not joining in the request. The defendants making the request may withdraw and receive each defendant's proportionate share of the damages upon the following terms and conditions:

- (1) Each written request must:
  - (A) be verified under oath; and
  - (B) state:
    - (i) the amount of the proportionate share of the damages to which each of the defendants joining in the request is entitled;
    - (ii) the interest of each defendant joining in the request; and
    - (iii) the highest offer made by the plaintiff to each of the defendants for each defendant's respective interests in or damages sustained in respect to the property that has been acquired by the plaintiff.
- (2) Upon the filing of a written request for withdrawal and payment of damages to any of the defendants, the circuit court clerk shall immediately issue a notice to the plaintiff and all defendants of record in the cause who have not joined in the request for payment. The notice must contain the following:
  - (A) The names of the parties.

- (B) The number of the cause.
- (C) A statement that a request for payment has been filed.
- (D) A notice to appear on a day, to be fixed by the court, and show cause, if any, why the amounts requested should not be withdrawn and paid over by the circuit court clerk to those defendants requesting the amounts to be paid.
- (E) A copy of the request for payment.

If a defendant not requesting payment is a nonresident of Indiana, or if that defendant's name or residence is unknown, publication and proof of the notice and request for payment shall be made as provided in section 4 of this chapter.

(3) After a hearing held after notice of a written request made under this section, the court shall determine and order the payment by the circuit court clerk of the proportionate shares of the damages due to the defendants requesting payment. Any of the defendants may appeal an order under this subdivision within the same time and in the same manner as provided for allowable appeals from interlocutory orders in civil actions.

(4) If exceptions to the appraisers' report have been duly filed by the plaintiff or any defendant, the circuit court clerk may not make payment to any defendant of any part of the damages deposited with the clerk by the plaintiff until the defendants requesting payment have filed with the circuit court clerk a written undertaking, with surety approved by the court, for the repayment to the plaintiff of all sums received by those defendants in excess of the amount or amounts awarded as damages to those defendants by the judgment of the court upon trial held on the exceptions to the assessment of damages by the appraisers. However, the court may waive the requirement of separate surety as to any defendant who is a resident freeholder of the county in which the cause is pending and who is owner of real property in Indiana that is liable to execution, not included in the real property appropriated by the plaintiff, and equal in value to the amount by which the damages to be withdrawn exceed the amount offered to the defendants as stated in their request or the amount determined by the court if the plaintiff has disputed the statement of the offer. A surety or written undertaking may not be required for a defendant to withdraw those amounts previously offered by the plaintiff to the defendant if the plaintiff has previously notified the court in writing of the amounts so offered. The liability of any surety does not exceed the amount by which the damages to be withdrawn exceed the amount offered to the defendants with whom the surety joins in the written undertaking. Each written undertaking filed with the circuit court clerk shall be immediately recorded by the clerk in the order book and entered in the judgment docket, and from the date of the recording and entry the written undertaking is a lien upon all the real property in the county owned by the several obligors, and the undertaking is also a lien upon all the real property owned by the several

obligors in each county of Indiana in which the plaintiff causes a certified copy of the judgment docket entry to be recorded, from the date of the recording.

(5) The withdrawal and receipt from the circuit court clerk by any defendant of that defendant's proportionate share of the damages awarded by the appraisers, as determined by the court upon the written request and hearing, does not operate and is not considered as a waiver of any exceptions duly filed by that defendant to the assessment of damages by the appraisers.

(6) In any trial of exceptions, the court or jury shall compute and allow interest at an annual rate of eight percent (8%) on the amount of a defendant's damages from the date plaintiff takes possession of the property. Interest may not be allowed on any money paid by the plaintiff to the circuit court clerk:

(A) after the money is withdrawn by the defendant; or

(B) that is equal to the amount of damages previously offered by the plaintiff to any defendant and which amount can be withdrawn by the defendant without filing a written undertaking or surety with the court for the withdrawal of that amount.

##### **Offer of settlement; acceptance; rejection**

Sec. 12. (a) Not later than forty-five (45) days before a trial involving the issue of damages, the plaintiff shall, and a defendant may, file and serve on the other party an offer of settlement. Not more than five (5) days after the date offer of settlement is served, the party served may respond by filing and serving upon the other party an acceptance or a counter offer of settlement. The offer must state that it is made under this section and specify the amount, exclusive of interest and costs, that the party serving the offer is willing to accept as just compensation and damages for the property sought to be acquired. The offer or counter offer supersedes any other offer previously made under this chapter by the party.

(b) An offer of settlement is considered rejected unless an acceptance in writing is filed and served on the party making the offer before the trial on the issue of the amount of damages begins.

(c) If the offer is rejected, it may not be referred to for any purpose at the trial but may be considered solely for the purpose of awarding costs and litigation expenses under section 14 of this chapter.

(d) This section does not limit or restrict the right of a defendant to payment of any amounts authorized by law in addition to damages for the property taken from the defendant.

(e) This section does not apply to an action brought under IC 8-1-13-19 (repealed).

(b) The court shall on the return day fixed at the time of the filing of the complaint appoint appraisers as provided by law and fix a day not later than ten (10) days after the date of the court's order for the appraisers to appear, qualify, and file their report of appraisal.

(c) If the appraisers appointed by the court fail to appear, qualify, and file their report of appraisal as ordered by the court, the court shall discharge the appraisers and appoint new appraisers in the same manner as provided in subsection (b).

However, if there is a trial and the amount of damages awarded to the defendant by the judgment, exclusive of interest and costs, is greater than the amount specified in the last offer of settlement made by the plaintiff under section 12 of this chapter, the court shall allow the defendant the defendant's litigation expenses, including reasonable attorney's fees, in an amount not to exceed the lesser of:

In addition to the names, the list must show, with reasonable certainty, a description of each piece of property belonging to those persons that will be acquired or affected, either beneficially or injuriously. (c) If the owner is a nonresident, or if the owner's residence is unknown, the municipality shall notify the owner by publication in

a daily newspaper of general circulation in the municipality once each week for three (3) successive weeks.

(d) The notices must also name a day, at least ten (10) days after service of notice or after the last publication, on which the works board will receive or hear remonstrances from persons with regard to the amount of their respective awards or assessments.

The works board shall sustain the award or assessment in the case of an award or assessment against which a remonstrance has not been filed.

(c) A person remonstrating in writing who is aggrieved by the decision of the works board may, not later than twenty (20) days after the decision is made, take an appeal to a court that has jurisdiction in the county in which the municipality is located. The

appeal affects only the assessment or award of the person appealing.  
*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-2-11**

##### **Appeal procedure; discontinuance**

Sec. 11. (a) The appeal may be taken by filing an original complaint in the court against the municipality within the time required by section 10(c) of this chapter, setting forth the action of the works board with respect to the assessment and stating the facts relied upon as showing an error on the part of the board. The court shall rehear the matter of the assessment de novo and confirm, reduce, or increase the assessment. If the court reduces the amount of benefit assessed or increases the amount of damages awarded, the plaintiff may recover costs. If the court confirms the amount of the assessment, the plaintiff may not recover costs. The judgment of the court is conclusive, and an appeal may not be taken from the court's judgment.

(b) If upon appeal the benefits assessed or damages awarded by the works board are reduced or increased, the municipality may, upon the payment of costs, discontinue the proceedings. It may also, through the works board, make and adopt an additional assessment against all the property originally assessed in the proceeding, or that part that is benefitted, in the manner provided for the original assessment. However, such an assessment against any one (1) piece of property may not exceed ten percent (10%) of the original assessment against it.

(c) If the municipality decides to discontinue the proceedings upon payment of costs and if assessments for benefits have already been paid, the amounts paid shall be paid back to the person or persons paying them.

*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-2-12**

##### **Assessment of benefits; local assessment roll**

Sec. 12. (a) Upon completion of the assessment list by the works board, the list shall be delivered to the fiscal officer of the municipality. From the time the respective amounts of benefits are assessed, or if a lot or parcel has sustained both benefits and damages because of an improvement as stated in the assessment list, then the excess of benefits assessed over damages awarded constitutes a lien superior to all other liens except taxes against the respective lot or parcel.

(b) The fiscal officer of the municipality shall immediately prepare a list of the excess of benefits, to be known as the local assessment list. If the municipality is a second class city and the county treasurer collects money due the city, the local assessment list shall be delivered to the county treasurer.

(c) The duties of the fiscal officer of the municipality and county treasurer are the same as prescribed with regard to assessments for street improvement. The provisions of the statute relating to:

- (1) the payment of street improvement assessments by installments on the signing of waivers and issuance of bonds and coupons in anticipation;
- (2) the duties of the fiscal officer and the county treasurer in relation to them; and
- (3) the enforcement of payment of assessments in proceedings for the improvement of streets by the works board;

applies to these assessments.

*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-2-13**

##### **Due date of benefit assessments; foreclosure of liens; costs**

Sec. 13. (a) The benefit assessments are due and payable to the fiscal officer or county treasurer from the time of the preparation or delivery of the assessment duplicate.

(b) If an assessment is not paid within sixty (60) days, the municipality, by its attorney, shall proceed to foreclose the liens as mortgages are foreclosed, with similar rights of redemption, and have the property sold to pay the assessments. The municipality may recover costs, with reasonable attorney's fees, and interest from the expiration of the sixty (60) days allowed for payment, at the rate of six percent (6%) per year.

(c) If the person against whom the assessment is made is a resident of the municipality, demand for payment must be made by delivering to the person personally, or leaving at the person's last or usual place of residence, a notice of the assessment and demand for payment.

*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-2-14**

##### **Payment of damage awards**

Sec. 14. The works board may determine if any part of the damages awarded shall be paid out of funds appropriated for the use of the board. However, not more than two thousand dollars (\$2,000) in damages may be paid out of the municipality's funds for any improvement or condemnation except under an ordinance appropriating money for the specific improvement or condemnation. All benefits assessed and collected by the fiscal officer or county treasurer are subject to draft, in the usual manner, upon certificate by the works board in favor of persons to whom damages have been awarded. Any surplus remaining above actual awards belongs to the municipality. The works board may delay proceedings until the benefits have been collected.

*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-2-15**

##### **Certificates of damages; disputes as to whom damages should be paid; injunction**

Sec. 15. (a) Upon completion of the award of damages or whenever any time for delay as provided has expired, the works

board shall make out certificates for the proper amounts and in favor of the proper persons. Presentation of the certificates to the fiscal officer of the municipality entitles the person to a warrant on the fiscal officer or the county treasurer. The certificates or vouchers shall, whenever practicable, be actually tendered to the persons entitled to them, but when this is impracticable, they shall be kept for the persons in the office of the works board. The making and fixing of the certificate is a valid and effectual tender to the person entitled to it, and the certificate must be delivered to that person on request.

(b) If a dispute or doubt arises as to which person the money shall be paid, the works board shall make out the certificate in favor of the municipality's attorney for the use of the persons entitled to it. The attorney shall draw the money and pay it into court in a proper proceeding, requiring the various claimants to interplead and have their respective rights determined.

(c) If an injunction is obtained because damages have not been paid or tendered, the works board may tender the certificate for the amount with interest from the time of entry upon the property, if any has been made, including all accrued costs. The injunction shall then be dissolved. The pendency of an appeal does not affect the validity of a tender made under this section, but the municipality may proceed with its acquisition of the property in question. However, when a lot or parcel has sustained both benefits and damages because of improvements as stated in the assessment list, only an excess of damages awarded over benefits assessed is payable under this section.

(a) This section applies whenever the works board of a municipality located upon or adjoining a harbor connected with a navigable stream or lake, or upon any navigable channel, slip, waterway, or watercourse, wants to acquire for the use of the municipality any property for a right-of-way for seawalls, docks, or other improvement of the harbor, channel, slip, waterway or watercourse.

(b) The works board shall adopt a resolution that the municipality wants to acquire the property, describing the property that may be injuriously or beneficially affected. All proceedings necessary for the completion of and payment for any such undertaking, including notice, remonstrance, appeal, letting of and performance of contracts, assessment and collection of payment for benefits, and the determination and payment of damages to property, are the same, to the extent applicable, as those proceedings for street improvements of the municipality by its works board or other entity charged by statute with the performance of those duties on behalf of the municipality.

##### **Application; payments; election of method; sale of interest in servient estate; statement in offer; acceptance of offer**

Sec. 4. (a) This section applies to a public utility that appropriates by condemnation procedures an easement for right-of-way purposes on land zoned or used for agricultural purposes.

(b) If a public utility makes a uniform easement acquisition offer

under IC 32-24-1-5 or a settlement offer under IC 32-24-1-12 in excess of five thousand dollars (\$5,000), the owner of the land may elect to accept as compensation either a lump sum payment or annual payments for a period not to exceed twenty (20) years.

(c) The landowner must elect either the lump sum payment or the annual payment method at the time the landowner:

- (1) accepts the public utility's offer under IC 32-24-1-5 or IC 32-24-1-12 to purchase an easement;
- (2) accepts the appraisers' award; or
- (3) is awarded damages by a judgment in a proceeding under this article.

The grant of easement or judgment, whichever is applicable, must state the method of payment the landowner has elected to receive.

(d) If the land is owned by more than one (1) person, the election to receive annual payments must be unanimous among all record owners to be binding upon the public utility.

(e) Selection of the lump sum method of payment irrevocably binds the landowner and the landowner's successors in interest.

(f) The annual amount payable must be equal to the lump sum payment that would have otherwise been made by the utility divided by the number of years the landowner elects to receive the annual payments plus interest at a rate agreed upon by the public utility and the landowner on the balance remaining at the end of each year. The public utility shall make the annual payment as close as practicable to the date of the landowner's acceptance of the public utility's offer or the date of the judgment granting the utility the easement. If the public utility and the landowner are unable to agree upon the interest rate, the interest rate shall be the average annual effective interest rate for all new Federal Land Bank Loans, computed on the basis of the twelve (12) month period immediately preceding the date of settlement.

(g) A landowner who withdraws the appraisers' award under IC 32-24-1-11 may receive only a lump sum payment from the clerk at that time. If the landowner is later awarded a judgment for damages that exceeds the amount of the appraisers' award, the landowner may elect either method of compensation only to the extent that the damages exceed the appraisers' award remaining to be paid by the public utility as a result of the judgment.

(h) A landowner who elects the annual payment method may terminate the election by giving notarized written notice to the public utility at least ninety (90) days before the annual date of payment. The public utility may prescribe reasonable forms for the notice and may require that these forms be used for the notice to be effective. In the event the landowner terminates this election, the public utility shall pay the landowner in a single payment the difference between the lump sum and the total of all annual payments previously paid by the public utility. Upon the landowner's receipt of this payment, the public utility's payment obligations cease.

(i) If a landowner sells the landowner's entire interest in the servient estate, the landowner shall give the public utility prompt

(G) The parcel poses a threat to public health or safety because the parcel contains environmental contamination.

(H) The parcel has been abandoned.

(2) The acquisition of the parcel of real property through the exercise of eminent domain is expected to accomplish more than only increasing the property tax base of a government entity.

(3) If the owner files a request for mediation at the time the owner files an objection or exception to an eminent domain proceeding, the mediation occurs as follows:

(A) The court shall appoint a mediator not later than ten (10) days after the request for mediation is filed.

(C) The mediation must be concluded not later than ninety (90) days after the appointment of the mediator.

(D) The condemnor shall pay the costs of the mediator.

A determination concerning whether a condition described in this section has been met is subject to judicial review in an eminent domain proceeding concerning the parcel of real property. If a court determines that an eminent domain proceeding brought under this chapter is unauthorized because the condemnor did not meet the conditions described in this section, the court shall order the condemnor to reimburse the owner for the owner's reasonable attorney's fees that the court finds were necessary to defend the action.

##### **Offer of settlement**

Sec. 9. (a) Not later than forty-five (45) days before a trial involving the issue of compensation, the condemnor shall, and an owner may, file and serve on the other party an offer of settlement. Not more than five (5) days after the date the offer of settlement is served, the party served may respond by filing and serving upon the other party an acceptance or a counter offer of settlement. The offer must state that it is made under this section and specify the amount, exclusive of interest and costs, that the party serving the offer is willing to accept as just compensation and damages for the property sought to be acquired. The offer or counter offer supersedes any other offer previously made under this chapter by the party.

(b) An offer of settlement is considered rejected unless an acceptance in writing is filed and served on the party making the offer before the trial on the issue of the amount of damages begins.

(c) If the offer is rejected, it may not be referred to for any purpose at the trial but may be considered solely for the purpose of awarding costs and litigation expenses under section 10 of this chapter.

#### **IC 32-24-4.5-11**

##### **Acquisition of property in certain project areas**

Sec. 11. (a) This section applies to a parcel of real property located in a project area:

- (1) that is located in only one (1) county;

(b) As used in this section, "project area" means an area designated by a condemnor and the legislative body for the condemnor for economic development.

(c) Notwithstanding sections 7 and 8 of this chapter, a condemnor may acquire a parcel of real property by the exercise of eminent domain under this section only if all of the following conditions are met:

- (1) The parcel of real property is not occupied by the owner of the parcel as a residence.
- (2) The legislative body for the condemnor adopts a resolution by a two-thirds (2/3) vote that authorizes the condemnor to exercise eminent domain over a particular parcel of real property.
- (d) A condemnor that acquires a parcel of real property through

(2) the payment of damages and relocation costs cannot adequately compensate the owner of the parcel.

(f) The court shall award the payment of reasonable attorney's fees to the owner of a parcel in accordance with this chapter.

### **Chapter 5. Eminent Domain for Gas Storage**

#### **IC 32-24-5-1**

##### **Subsurface strata or formations**

Sec. 1. Whereas, the storage of gas in subsurface strata or formations of the earth in Indiana tends to insure a more adequate supply of gas to domestic, commercial, and industrial consumers of gas in this state and materially promotes the economy of the state, the storage of gas is declared to be in public interest and for the welfare of Indiana and the people of Indiana and to be a public use.

*As added by P.L.2-2002, SEC.9.*

#### **IC 32-24-5-2**

##### **Persons entitled to exercise eminent domain; conditions precedent**

Sec. 2. (a) A person, firm, limited liability company, municipal corporation, or other corporation authorized to do business in Indiana and engaged in the business of transporting or distributing gas by means of pipelines into, within, or through Indiana for ultimate public use may condemn:

- (1) land subsurface strata or formations;
- (2) other necessary land rights;
- (3) land improvements and fixtures, in or on land, except buildings of any nature; and
- (4) the use and occupation of land subsurface strata or formations;

for constructing, maintaining, drilling, utilizing, and operating an underground gas storage reservoir.

(b) The following rights in land may be condemned for use in connection with the underground storage of gas:

- (1) To drill and operate wells in and on land.
- (2) To install and operate pipelines.
- (3) To install and operate equipment, machinery, fixtures, and communication facilities.
- (4) To create ingress and egress to explore and examine subsurface strata or underground formations.
- (5) To create ingress and egress to construct, alter, repair, maintain, and operate an underground storage reservoir.
- (6) To exclusively use any subsurface strata condemned.
- (7) To remove and reinstall pipe and other equipment used in connection with rights condemned under subdivisions (1) through (6).

(c) Acquisition of subsurface rights in land for gas storage purposes by condemnation under this section must be without prejudice to any subsequent proceedings that may be necessary under this section to acquire additional subsurface rights in the same land for use in connection with the underground storage. Surface rights in land necessary for the accomplishment of the purposes set forth in this section may be condemned.

(d) Except with respect to a proceeding under this chapter to:

- (1) acquire the right to explore and examine a subsurface stratum or formation in land; and
- (2) create the right of ingress and egress for operations connected to the acquisition;

and subject to subsection (e), as a condition precedent to the exercise of the right to condemn any underground stratum, formation, or interest reasonably expected to be used or useful for underground gas storage, a condemnor first must have acquired by purchase, option, lease, or other method not involving condemnation, the right, or right upon the exercise of an option, if any, to store gas in at least sixty per cent (60%) of the stratum or formation. This must be computed in relation to the total surface acreage overlying the entire stratum or formation considered useful for the purpose.

(e) A tract under which the stratum or formation sought to be condemned is owned by two (2) or more persons, firms, limited liability companies, or corporations must be credited to the condemnor as acquired by it for the purpose of computing the percentage of acreage acquired by the condemnor in complying with the requirement of subsection (d) if the condemnor acquires from the owner or owners of an undivided three-fourths (3/4) part or interest or more of the underground stratum or formation, by purchase, option, lease, or other method not involving condemnation, the right, or right upon the exercise of an option, if any, to store gas in the stratum or formation. It is not necessary for the condemnor to have acquired any interest in the property in which the condemnee has an interest before instituting a proceeding under this chapter.

### **IC 32-24-5-3**

#### **Oil and gas leases; drilling into gas storage stratum**

Sec. 3. (a) The rights acquired by condemnation must be without prejudice to the rights and interests of the owners or their lessees to:

- (1) execute oil and gas leases;
- (2) drill or bore to any other strata or formation not condemned;
- and
- (3) produce oil and gas discovered.

However, any drilling and all operations in connection with the drilling must be performed in a manner that protects the strata or formations condemned against the loss of gas and against contamination of the reservoir by water, oil, or other substance that will affect the use of the condemned strata or formations for gas storage purposes.

(b) If the owners of mineral rights or the owners' lessees drill into land in which gas storage rights have been condemned under this chapter, the owners of mineral rights or their lessees shall give notice to the owner of the gas storage stratum, formation, or horizon at least thirty (30) days before commencing the drilling. The notice must specify the location and nature of the operations, including the depth to be drilled. The notice must be given by United States registered or certified mail, return receipt requested, and addressed to the usual

business address of the owner or owners of the gas storage stratum or formation condemned under this chapter.

(c) It is the duty of the owner of a gas storage stratum or formation to designate all necessary procedures for protecting the gas storage area. The actual costs incurred over and above customary and usual drilling and other costs that would have been incurred without compliance with the requirements shall be borne by the owner of the gas storage stratum or formation. An owner or lessee of mineral interests other than gas storage rights is not responsible for an act done under such a requirement or the consequences of this act.

#### **IC 32-24-5-4**

##### **Rights appropriated and condemned; compensation paid**

Sec. 4. Only the rights in land necessary for use in connection with underground storage of gas and those subsurface strata adaptable for underground storage of gas may be appropriated and condemned under this chapter. Rights in the subsurface of land constituting a part of a geological structure are deemed necessary to the operation of an underground storage reservoir in the structure. In determining the compensation to be paid to the owner of an oil producing stratum, or interest in the stratum, condemned under this chapter, proof may be offered and consideration must be given to potential recovery, if any, of oil from a stratum by secondary or other subsequent recovery processes in addition to potential recovery by a primary process.

- (1) the fee simple title to;
- (2) the exclusive ownership of; and
- (3) the exclusive possession of;

the owner's condominium unit and undivided interest in the common areas and facilities.

(b) A condominium unit may be:

- (1) individually conveyed;
- (2) individually encumbered; and
- (3) the subject of:

(A) ownership;

(B) possession;

(C) sale; and

##### **Multiple ownership of condominiums**

Sec. 2. A condominium unit may be held and owned by two (2) or more persons:

- (3) as tenants by the entirety; or
- (4) in any other real property tenancy relationship recognized under the law of the state.

*As added by P.L.2-2002, SEC.10.*

#### **IC 32-25-4-3**

##### **Common areas and facilities; undivided interest; repairs**

Sec. 3. (a) Each condominium unit owner is entitled to an undivided interest in the common areas and facilities as designated in the declaration. Except as provided in subsection (b), the undivided interest must be expressed as a percentage interest based on:

- (1) the size of the unit in relation to the size of all units in the condominium;
- (2) the value of each condominium unit in relation to the value of all condominium units in the condominium; or
- (3) the assignment of an equal percentage undivided interest to

each condominium unit.

An undivided interest allocated to each condominium unit in accordance with this subsection must be indicated in a schedule of undivided interests in the declaration. However, if the declaration does not specify the method of allocating the percentage undivided interests, an equal percentage undivided interest applies to each condominium unit. The total undivided interests allocated in accordance with subdivision (1) or (2) must equal one hundred percent (100%).

(b) With respect to an expandable condominium, the declaration may allocate undivided interests in the common area on the basis of value if:

(1) the declaration prohibits the creation of any condominium units not substantially identical to the condominium units depicted on the recorded plans of the declaration; or

(2) the declaration:

(A) prohibits the creation of any condominium units not described in the initial declaration; and

(B) contains a statement on the value to be assigned to each condominium unit created after the date of the declaration.

(c) Interests in the common areas may not be allocated to any condominium units to be created within any additional land until the plats and plans and supplemental declaration depicting the condominium units to be created are recorded. Simultaneously with the recording of the plats and plans for the condominium units to be created, the declarant must execute and record an amendment to the initial declaration reallocating undivided interests in the common areas so that the future condominium units depicted on the plats and plans will be allocated undivided interests in the common areas on the same basis as the condominium units depicted in the prior recorded plats and plans.

(d) Except as provided in section 3.5 of this chapter and in IC 32-25-8-3, the undivided interest of the owner of the condominium unit in the common areas and facilities, as expressed in the declaration, is permanent and may not be altered without the consent of the co-owners. A consent to alteration must be stated in an amended declaration, and the amended declaration must be recorded. The undivided interest may not be transferred, encumbered, disposed of, or separated from the condominium unit to which it appertains, and any purported transfer, encumbrance, or other disposition is void. The undivided interest is considered to be conveyed or encumbered with the condominium unit to which it appertains even though the undivided interest is not expressly mentioned or described in the conveyance or other instrument.

(e) The common areas and facilities shall remain undivided. A condominium unit owner or any other person may bring an action for partition or division of any part of the common areas and facilities if the property has been removed from this chapter as provided in IC 32-25-8-12 and IC 32-25-8-16. Any covenant to the contrary is void.

(f) Each condominium unit owner:

- (1) may use the common areas and facilities in accordance with the purpose for which the common areas and facilities were intended; and
- (2) may not, in the owner's use of the common areas and facilities, hinder or encroach upon the lawful rights of the other co-owners.

(g) The:

(1) necessary work of:

- (A) maintenance;
- (B) repair; and
- (C) replacement;

of the common areas and facilities; and

(2) making of any additions or improvements to the common areas and facilities;

may be carried out only as provided in this chapter and in the bylaws.

(h) The association of condominium unit owners has the irrevocable right, to be exercised by the manager or board of directors, to have access to each condominium unit from time to time during reasonable hours as is necessary for:

(1) the maintenance, repair, or replacement of any of the common areas and facilities:

- (A) in the condominium unit; or
- (B) accessible from the condominium unit; or

(2) making emergency repairs in the condominium unit necessary to prevent damage to:

- (A) the common areas and facilities; or
- (B) another condominium unit.

#### **Conveyance or encumbrance of common areas and facilities**

Sec. 3.5. (a) This section applies only to a condominium located on the shore of a lake located in a township with a population of more than three thousand (3,000) but less than three thousand one hundred (3,100) located in a county having a population of more than forty-seven thousand (47,000) but less than forty-seven thousand five hundred (47,500).

(b) Except as otherwise provided in a statement described in:

(1) IC 32-25-7-1(a)(10) and included in:

- (A) the declaration; or
- (B) an amendment to the declaration, if the amendment is approved by at least ninety-five percent (95%) of co-owners; or

(2) IC 32-25-8-2(12) and included in:

- (A) the bylaws; or
- (B) an amendment to the bylaws, if the amendment is approved by the percentage of votes set forth in the bylaws under IC 32-25-8-2(11);

part or all of the common areas and facilities of a condominium may be conveyed or subjected to a security interest by the association of co-owners if at least ninety-five percent (95%) of the co-owners, including at least ninety-five percent (95%) of the co-owners of condominium units not owned by the declarant, agree to the action. However, if the common areas and facilities proposed to be conveyed or encumbered under this section include any limited common areas and facilities, all the owners of the limited common areas and facilities to be conveyed or encumbered must agree to the conveyance or encumbrance.

(c) An agreement to convey or encumber common areas and facilities under this section must be evidenced by an agreement:

(1) executed in the same manner as a deed or any other instrument recognized by the state for the conveyance or transfer of interests in title; and

(2) signed by:

(A) at least ninety-five percent (95%) of the co-owners, as required by this section; or

(B) another percentage of the co-owners specified in a statement described in subsection (b)(1) or (b)(2).

An agreement under this subsection is effective upon being recorded.

(d) Proceeds from the conveyance or encumbrance of common areas and facilities under this section shall be distributed to co-owners as common profits under IC 32-25-8-6. However, if the common areas and facilities conveyed or encumbered under this section include limited common areas and facilities, proceeds from the conveyance or encumbrance of the limited common areas and facilities shall be distributed to the owners of the limited common areas and facilities according to the percentage of the owners' undivided interest in the limited common areas and facilities.

(e) A conveyance or encumbrance of common areas and facilities not made in accordance with:

(1) this section; or

(2) a statement described in subsection (b)(1) or (b)(2);

is void.

#### **IC 32-25-4-4**

##### **Contributions for expenses**

Sec. 4. (a) Except as provided in subsection (d) or (e), the co-owners are bound to contribute pro rata, in the percentages computed under section 3 of this chapter, toward:

(1) the expenses of administration and of maintenance and repair of the general common areas and facilities and, in the proper case, of the limited common areas and facilities of the building; and

(2) any other expense lawfully agreed upon.

(b) A co-owner may not exempt the co-owner from contributing toward the expenses referred to in subsection (a) by:

- (1) waiver of the use or enjoyment of the common areas and facilities; or
- (2) abandonment of the condominium unit belonging to the co-owner.

(c) All sums assessed by the association of co-owners shall be established by using generally accepted accounting principles applied on a consistent basis and shall include the establishment and maintenance of a replacement reserve fund. The replacement reserve fund may be used for capital expenditures and replacement and repair of the common areas and facilities and may not be used for usual and ordinary repair expenses of the common areas and facilities. The fund shall be:

- (1) maintained in a separate interest bearing account with a bank or savings association authorized to conduct business in the county in which the condominium is established; or
- (2) invested in the same manner and in the same types of investments in which the funds of a political subdivision may be invested:
  - (A) under IC 5-13-9; or
  - (B) as otherwise provided by law.

Assessments collected for contributions to the fund are not subject to adjusted gross income tax.

(d) If permitted by the declaration, the declarant or a developer (or a successor in interest of either) that is a co-owner of unoccupied condominium units offered for the first time for sale is excused from contributing toward the expenses referred to in subsection (a) for those units for a period that:

- (1) is stated in the declaration;
- (2) begins on the day that the declaration is recorded; and
- (3) terminates no later than the first day of the twenty-fourth calendar month following the month in which the closing of the sale of the first condominium unit occurs.

However, if the expenses referred to in subsection (a) incurred by the declarant, developer, or successor during the period referred to in this subsection exceed the amount assessed against the other co-owners, the declarant, developer, or successor shall pay the amount by which the expenses incurred by the declarant, developer, or successor exceed the expenses assessed against the other co-owners.

(e) If the declaration does not contain the provisions referred to in subsection (d), the declarant or a developer (or a successor in interest of either) that is a co-owner of unoccupied condominium units offered for the first time for sale is excused from contributing toward the expenses referred to in subsection (a) for those units for a stated period if the declarant, developer, or successor:

- (1) has guaranteed to each purchaser in the purchase contract, the declaration, or the prospectus, or by an agreement with a majority of the other co-owners that the assessment for those expenses will not increase over a stated amount during the stated period; and

(2) has obligated itself to pay the amount by which those expenses incurred during the stated period exceed the assessments at the guaranteed level under subdivision (1) receivable during the stated period from the other co-owners.

Sec. 2. (a) Except as provided in subsection (b), in a voluntary conveyance, the grantee of a condominium unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor for the grantor's share of the common expenses incurred before the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts of common expenses paid by the grantee.

(b) The grantee:

(1) is entitled to a statement from the manager or board of directors setting forth the amount of the unpaid assessments against the grantor; and

(2) is not liable for, nor shall the condominium unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth in the statement.

### **Chapter 6. Liens and Encumbrances**

#### **IC 32-25-6-1**

##### **Liens and encumbrances**

Sec. 1. (a) After a declaration is recorded under this article and while the property remains subject to this article, a lien may not arise or be effective against the property as a whole. Except as provided in subsection (b), liens or encumbrances may arise or be created only against:

- (1) each condominium unit; and
- (2) the undivided interest in the common areas and facilities appurtenant to each unit;

in the same manner and under the same conditions as liens or encumbrances may arise or be created against any other parcel of real property.

(b) Labor performed or materials furnished with the consent or at the request of a condominium unit owner, the owner's agent, or the owner's contractor or subcontractor may not be the basis for filing a lien under any lien law against the condominium unit or any other property of any other co-owner not expressly consenting to or requesting the performance of the labor or the furnishing of the materials. However, express consent is considered to be given by the owner of any condominium unit in the case of emergency repairs to the condominium unit. Labor performed or materials furnished for the common areas and facilities, if authorized by the association of co-owners, the manager, or board of directors in accordance with this article, the declaration, or the bylaws:

- (1) are considered to be performed or furnished with the express consent of each co-owner;
- (2) constitute the basis for the filing of a lien under any lien law against each of the condominium units; and
- (3) are subject to subsection (c).

(c) If a lien against two (2) or more condominium units becomes effective, the owner of a condominium unit against which the lien is effective may remove the owner's:

- (1) unit; and
- (2) undivided interest in the common areas and facilities appurtenant to the unit;

from the lien by payment of the fractional or proportional amounts attributable to the unit. After the payment, discharge of the lien, or other satisfaction of the lien, the condominium unit and the undivided interest in the common areas and facilities appurtenant to the condominium unit are free and clear of the lien. A partial payment, partial satisfaction of the lien, or discharge of the lien may not prevent the lienholder from proceeding against any condominium unit and the undivided interest in the common areas and facilities appurtenant to the condominium unit that remain subject to the lien.

  - (B) additional real estate;under those instruments and this article; and
- (2) doing all things reasonably necessary and proper in connection with the improvements referred to in subdivision (1).

### **IC 32-25-6-3**

#### **Unpaid assessments; lien**

Sec. 3. (a) All sums assessed by the association of co-owners but unpaid for the share of the common expenses chargeable to any condominium unit constitute a lien on the unit effective at the time of assessment. The lien has priority over all other liens except:

- (1) tax liens on the condominium unit in favor of any:
  - (A) assessing unit; or
  - (B) special district; and
- (2) all sums unpaid on a first mortgage of record.

(b) A lien under subsection (a) may be filed and foreclosed by suit by the manager or board of directors, acting on behalf of the association of co-owners, under laws of Indiana governing mechanics' and materialmen's liens. In any foreclosure under this subsection:

- (1) the condominium unit owner shall pay a reasonable rental for the unit, if payment of the rental is provided in the bylaws; and
- (2) the plaintiff in the foreclosure is entitled to the appointment of a receiver to collect the rental.

(c) The manager or board of directors, acting on behalf of the association of co-owners, may, unless prohibited by the declaration:

- (1) bid on the condominium unit at foreclosure sale; and
- (2) acquire, hold, lease, mortgage, and convey the condominium unit.

(d) Suit to recover a money judgment for unpaid common expenses is maintainable without foreclosing or having the lien securing the expenses.

(e) If the mortgagee of a first mortgage of record or other purchaser of a condominium unit obtains title to the unit as a result of foreclosure of the first mortgage, the acquirer of title, or the acquirer's successors and assigns, is not liable for the share of the common expenses or assessments by the association of co-owners chargeable to the unit that became due before the acquisition of title to the unit by the acquirer. The unpaid share of common expenses or assessments is considered to be common expenses collectible from

all of the co-owners, including the acquirer or the acquirer's successors and assigns.

If there are hedges, live fences, other growths, or obstructions along the highways that have not been cut, trimmed down, and maintained in accordance with this chapter, the owner shall be given written notice to cut or trim the hedge or live fence and to burn the brush trimmed from the hedge or live fence and remove any other obstructions or growths.

(b) The notice required under subsection (a) must be served by reading the notice to the owner or by leaving a copy of the notice at the owner's usual place of residence.

The county auditor shall place the statement on the tax duplicates. The county treasurer shall collect the costs entered on the duplicates at the same time and in the same manner as road taxes are collected. ##### **Lands outside or abutting municipal boundary**

Sec. 2. (a) The owner of a property that:

(b) Except as otherwise provided in this chapter, and if a division of the partition fence has not been made between the property owners for the building, repairing, or rebuilding of the partition fence:

- (1) for a partition fence built along a property line than runs from north to south:

(A) the owner whose property lies to the east of the fence shall build the north half of the fence; and

#### **Defaulting landowner; description of lawful partition fence; floodgate across watercourse**

Sec. 3. (a) A partition fence shall be built, rebuilt, and kept in repair at the cost of the property owners whose properties are enclosed or separated by the fences proportionately according to the number of rods or proportion of the fence the property owner owns along the line of the fence, whether the property owner's title is a fee simple or a life estate.

(b) If a property owner fails or refuses to compensate for building, rebuilding, or repairing the property owner's portion of a partition fence, another property owner who is interested in the fence, after having built, rebuilt, or repaired the property owner's portion of the fence, shall give to the defaulting property owner or the defaulting property owner's agent or tenant twenty (20) days notice to build, rebuild, or repair the defaulting property owner's portion of the fence. If the defaulting property owner or the defaulting property owner's agent or tenant fails to build, rebuild, or repair the fence within twenty (20) days, the complaining property owner shall notify the township trustee of the township in which the properties are located of the default.

(c) This subsection applies if the fence sought to be established, rebuilt, or repaired is on a township line. Unless disqualified under subsection (h), the complaining property owner shall notify the trustee of the township in which the property of the complaining property owner is located of the default under subsection (b), and the trustee has jurisdiction in the matter.

(d) The township trustee who receives a complaint under this section shall:

(1) estimate the costs for building, rebuilding, or repairing the partition fence; and

(2) within a reasonable time after receiving the complaint, make out a statement and notify the defaulting property owner of the probable cost of building, rebuilding, or repairing the fence.

If twenty (20) days after receiving a notice under this subsection the defaulting property owner has not built, rebuilt, or repaired the fence, the trustee shall build or repair the fence. The trustee may use only the materials for the fences that are most commonly used by the farmers of the community.

(e) If the trustee of a township is disqualified to act under subsection (h), the trustee of an adjoining township who resides

nearest to where the fence is located shall act on the complaint upon receiving a notice by a property owner who is interested in the fence.

(f) A lawful partition fence is any one (1) of the following that is sufficiently tight and strong to hold cattle, hogs, horses, mules, and sheep:

(1) A straight board and wire fence, a straight wire fence, a straight board fence, or a picket fence four (4) feet high.

(2) A straight rail fence four and one-half (4 1/2) feet high.

(3) A worm rail fence five (5) feet high.

(g) This subsection applies if a ditch or creek crosses the division line between two (2) property owners, causing additional expense in the maintenance of the part over the stream. If the property owners cannot agree upon the proportionate share of each property owner, the township trustee shall appoint three (3) disinterested citizens who shall apportion the partition fence to be built by each property owner.

(h) If a township trustee is:

(1) related to any of the interested property owners; or

(2) an interested property owner;

the trustee of any other township who resides nearest to where the fence is located shall act under this chapter.

(i) This subsection applies if a ditch or creek forms, covers, or marks the dividing line or a part of the dividing line between the properties of separate and different property owners so that partition fences required under this chapter cannot be built and maintained on the dividing line. The partition fences shall be built and maintained under this chapter as near to the boundary line as is practical, and each property owner shall build a separate partition fence on the property owner's property and maintain the fence at the property owner's cost.

(j) This subsection applies where a partition fence required under this chapter crosses a ditch or creek and it is impracticable to construct or maintain that portion of the fence that crosses the ditch or creek as a stationary fence. Instead of the portion of the fence that would cross the ditch or creek, there shall be constructed, as a part of the partition fence, floodgates or other similar structures that are sufficiently high, tight, and strong to turn hogs, sheep, cattle, mules, and horses or other domestic animals. The floodgates or other similar structures shall be constructed to swing up in times of high water and to connect continuously with the partition fences.

(k) This subsection applies if the building and maintenance of the floodgates or other similar structure required under subsection (j) causes additional expenses and the property owners cannot agree upon the character of floodgates or other similar structure, or upon the proportionate share of the cost to be borne by each property owner. The township trustee, upon notice in writing from either property owner of a disagreement and the nature of the disagreement, shall appoint three (3) disinterested citizens of the township who shall determine the kind of structure and apportion the cost of the floodgate or other structure between the property owners, taking into consideration the parts of the fence being maintained by each

property owner.

(l) The determination of a majority of the arbitrators of any matter or matters submitted to them under this section is final and binding on each property owner. The compensation of the arbitrators is two dollars (\$2) each, which shall be paid by the property owners in the proportion each property owner is ordered to bear the expense of a gate or structure.

(m) This subsection applies if either or both of the property owners fail to construct or compensate for constructing the structure determined upon by the arbitrators in the proportion determined within thirty (30) days after the determination. The township trustee shall proceed at once to construct the gate or structure and collect the cost of the gate or structure, including the compensation of the arbitrators, from the defaulting property owner in the same manner as is provided for ordinary partition fences. The floodgate or other structure shall be repaired, rebuilt, or replaced according to the determination of the arbitrators.

##### **Expenses; construction and maintenance by township**

Sec. 4. (a) As soon as the township trustee has had a fence built, rebuilt, or repaired under this chapter, the trustee shall make out a certified statement in triplicate of the actual cost incurred by the trustee in the building, rebuilding, or repairing the fence. One (1) copy must be handed to or mailed to the property owner affected by the work, one (1) copy must be retained by the trustee as a record for the township, and one (1) copy must be filed in the auditor's office of the county in which the fence is located and in which the property of the property owner affected by the work is located. At the same time the trustee shall also file with the county auditor a claim against the county for the amount shown in the statement filed with the county auditor.

(b) The county auditor shall:

- (1) examine the claims and statement as other claims are examined; and
- (2) present the claims and statements to the board of county commissioners at the next regular meeting.

Unless there is an apparent error in the statement or claim, the board of county commissioners shall make allowance, and the county auditor shall issue a warrant for the amount claimed to the township trustee submitting the claim out of the county general fund without an appropriation being made by the county council.

(c) The amount paid out of the county general fund under subsection (b) shall be:

- (1) placed by the county auditor on the tax duplicate against the property of the property owner affected by the work;
- (2) collected as taxes are collected; and
- (3) when collected, paid into the county general fund.

*Note: This version of section effective until 7-1-2014. See also following version of this section, effective 7-1-2014.*

Sec. 9. (a) Subject to subsection (b), in the case of a lease of commercial real estate, including a sublease or an assignment of a lease, the notice of a lien under this chapter must be recorded not later than ninety (90) days after the tenant takes possession of the leased premises. However, if:

(1) the transferor personally serves, on the principal broker entitled to claim a lien, written notice of the intended execution of the lease; and

(2) the notice described in subdivision (1) is served not later than ten (10) days before the date of the intended execution of the lease;

the principal broker's notice of lien must be recorded before the date indicated in the notice described in subdivision (1) for the execution of the lease. The lien attaches on the recording of the notice of lien and does not relate back to the date of the written agreement, contract, or written instrument under which the principal broker is entitled to fees or commissions.

(b) As used in this subsection, "future fees or commissions" refers to fees or commissions:

(1) other than those fees or commissions due to a principal broker upon the execution of a lease under subsection (a); or

- (2) due to the principal broker upon the exercise of an option to:
  - (A) expand the leased premises;
  - (B) renew or extend a lease; or
  - (C) purchase the commercial real estate;

under a written agreement, a contract, or another written instrument signed by the owner or tenant of the commercial real estate. The principal broker may record a memorandum of lien at any time after execution of the lease or other written agreement, contract, or written instrument that contains rights to future fees or commissions. The principal broker shall record a notice of lien no later than ninety (90) days after the occurrence of a condition for which future fees or commissions are claimed, but may not file a notice of lien against an owner's property if the tenant is the sole party liable for payment of the future fees or commissions. Except as provided in section 11(a) or 13(b) of this chapter, an action to foreclose a lien to collect future fees or commissions must be commenced not later than one (1) year after the recording of the notice of the lien. A memorandum of lien recorded under this chapter must meet the requirements of section 12(1)(A), 12(1)(B), 12(1)(C), 12(1)(E), 12(2), 12(3), and 12(4) of this chapter. A memorandum of lien shall not constitute a lien against the real estate but shall provide notice of the right to future fees or commissions.

(c) If:

- (1) commercial real estate is sold or otherwise conveyed before the date on which future fees or commissions are due; and
- (2) the principal broker has recorded a valid memorandum of lien or notice of lien before the sale or other conveyance of the commercial real estate;

the purchaser or transferee is considered to have notice of and takes title to the commercial real estate subject to the right to future fees or commissions and, if applicable, notice of lien. However, if a principal broker claiming future fees or commissions fails to record a memorandum of lien or notice of lien for the future fees or commissions before the recording of a deed conveying legal title to the commercial real estate to the purchaser or transferee, the principal broker may not claim a lien on the commercial real estate. This subsection does not limit or otherwise affect claims or defenses a principal broker or owner or any other party may have in law or equity.

later than ninety (90) days after the tenant takes possession of the leased premises. However, if:

- (1) the transferor personally serves, on the managing broker entitled to claim a lien, written notice of the intended execution of the lease; and
- (2) the notice described in subdivision (1) is served not later than ten (10) days before the date of the intended execution of the lease;

the managing broker's notice of lien must be recorded before the date indicated in the notice described in subdivision (1) for the execution of the lease. The lien attaches on the recording of the notice of lien and does not relate back to the date of the written agreement, contract, or written instrument under which the managing broker is entitled to fees or commissions.

(b) As used in this subsection, "future fees or commissions" refers to fees or commissions:

- (1) other than those fees or commissions due to a managing broker upon the execution of a lease under subsection (a); or
- (2) due to the managing broker upon the exercise of an option to:
  - (A) expand the leased premises;
  - (B) renew or extend a lease; or
  - (C) purchase the commercial real estate;

under a written agreement, a contract, or another written instrument signed by the owner or tenant of the commercial real estate. The managing broker may record a memorandum of lien at any time after execution of the lease or other written agreement, contract, or written instrument that contains rights to future fees or commissions. The managing broker shall record a notice of lien no later than ninety (90) days after the occurrence of a condition for which future fees or commissions are claimed, but may not file a notice of lien against an owner's property if the tenant is the sole party liable for payment of the future fees or commissions. Except as provided in section 11(a) or 13(b) of this chapter, an action to foreclose a lien to collect future fees or commissions must be commenced not later than one (1) year after the recording of the notice of the lien. A memorandum of lien recorded under this chapter must meet the requirements of section 12(1)(A), 12(1)(B), 12(1)(C), 12(1)(E), 12(2), 12(3), and 12(4) of this chapter. A memorandum of lien shall not constitute a lien against the real estate but shall provide notice of the right to future fees or commissions.

(c) If:

- (1) commercial real estate is sold or otherwise conveyed before the date on which future fees or commissions are due; and
- (2) the managing broker has recorded a valid memorandum of lien or notice of lien before the sale or other conveyance of the commercial real estate;

the purchaser or transferee is considered to have notice of and takes title to the commercial real estate subject to the right to future fees or commissions and, if applicable, notice of lien. However, if a

managing broker claiming future fees or commissions fails to record a memorandum of lien or notice of lien for the future fees or commissions before the recording of a deed conveying legal title to the commercial real estate to the purchaser or transferee, the managing broker may not claim a lien on the commercial real estate. This subsection does not limit or otherwise affect claims or defenses a managing broker or owner or any other party may have in law or equity.

**Notice of authorization**

Sec. 12. (a) A title insurance company may authorize an appointed agent of the title insurance company to execute certificates of release under this chapter by recording a notice of authorization in the office of the county recorder for each county in which the duly appointed agent is authorized to execute and record certificates of release on behalf of the title insurance company. The notice of authorization must state the following:

(1) The name of the title insurance company that is authorizing an appointed agent to execute certificates of release on behalf of the title insurance company.

(2) The identity of the person who is an appointed agent of the title insurance company and who is authorized to execute and record certificates of release in accordance with the requirements of this chapter on behalf of the title insurance company.

(b) The notice of authorization must be executed and acknowledged in the same manner as required by law in Indiana for the execution and acknowledgment of a deed.

(c) A single notice of authorization recorded in the office of a county recorder under this section constitutes the authority of the appointed agent to execute and record certificates of release in that county on behalf of the title insurance company. A separate notice of authority is not required for each certificate of release recorded by an appointed agent.

(d) The authority granted to an appointed agent by a title insurance company under this section continues until a revocation of the notice of authorization is recorded in the office of the county recorder for the county in which the notice of authorization was recorded.

(e) The delegation of authority to an appointed agent by a title insurance company under this section does not relieve the title insurance company of any liability for damages for the wrongful or erroneous execution and recording of a certificate of release by the appointed agent.

**IC 32-29-6-13****Misstatement in written payoff statement**

Sec. 13. A creditor or mortgage servicer may not withhold the release of a mortgage if the written mortgage payoff statement misstates the amount of the payoff and the written payoff is relied upon in good faith by an independent closing agent without knowledge of the misstatement. It is not a misstatement if the written payoff statement is not accurate as a result of a change in circumstances occurring after the issuance of the payoff statement.

The release of a mortgage does not affect the ability of the creditor or mortgage servicer to collect the full amount owed without regard to a misstatement in the written payoff statement and a release of the mortgage.

(b) Additionally, a title insurance company or an appointed agent with authority from a title insurance company that wrongfully or erroneously executes and records a certificate of release is liable to the mortgagee, or the assignee of the mortgagee if the mortgage has been assigned, for actual damages sustained due to the recording of a wrongful or erroneous certificate of release.

- (1) a reasonable probability exists that, with the use of the services of an auctioneer, a valid and enforceable bid will be made at a foreclosure for a sale price equal to or greater than the amount of the judgment and the costs and expenses necessary to its satisfaction, including the costs of the auctioneer; and

##### **Mortgage foreclosure; time for execution of judgment; right of enforcement authority to file praecipe; sale by sheriff; advertising; sheriff's fee**

Sec. 3. (a) In a proceeding for the foreclosure of a mortgage executed on real estate, process may not issue for the execution of a judgment or decree of sale for a period of three (3) months after the filing of a complaint in the proceeding. However:

- (1) the period is:
  - (A) twelve (12) months in a proceeding for the foreclosure of a mortgage executed before January 1, 1958; and
  - (B) six (6) months in a proceeding for the foreclosure of a mortgage executed after December 31, 1957, but before July

1, 1975; and

(2) if the court finds under IC 32-30-10.6 that the mortgaged real estate has been abandoned, a judgment or decree of sale may be executed on the date the judgment of foreclosure or decree of sale is entered, regardless of the date the mortgage is executed.

(b) A judgment and decree in a proceeding to foreclose a mortgage that is entered by a court having jurisdiction may be filed with the clerk in any county as provided in IC 33-32-3-2. After the period set forth in subsection (a) expires, a person who may enforce the judgment and decree may file a praecipe with the clerk in any county where the judgment and decree is filed, and the clerk shall promptly issue and certify to the sheriff of that county a copy of the judgment and decree under the seal of the court. However, if:

(1) a praecipe is not filed with the clerk within one hundred eighty (180) days after the later of the dates on which:

(A) the period specified in subsection (a) expires; or

(B) the judgment and decree is filed; and

(2) the sale is not:

(A) otherwise prohibited by law;

(B) subject to a voluntary statewide foreclosure moratorium;  
or

(C) subject to a written agreement that:

(i) provides for a delay in the sale of the mortgaged real estate; and

(ii) is executed by and between the owner of the mortgaged real estate and a party entitled to enforce the judgment and decree;

an enforcement authority that has issued an abatement order under IC 36-7-36-9 with respect to the mortgaged real estate may file a praecipe with the clerk in any county where the judgment and decree is filed. If an enforcement authority files a praecipe under this subsection, the clerk of the county in which the praecipe is filed shall promptly issue and certify to the sheriff of that county a copy of the judgment and decree under the seal of the court.

(c) Upon receiving a certified judgment under subsection (b), the sheriff shall, subject to section 4 of this chapter, sell the mortgaged premises or as much of the mortgaged premises as necessary to satisfy the judgment, interest, and costs at public auction at the office of the sheriff or at another location that is reasonably likely to attract higher competitive bids. The sheriff shall schedule the date and time of the sheriff's sale for:

(1) a date not later than one hundred twenty (120) days after the date on which the judgment and decree under seal of the court are certified to the sheriff by the clerk; and

(2) a time certain between the hours of 10 a.m. and 4 p.m. on any day of the week except Sunday.

(d) Before selling mortgaged property, the sheriff must advertise the sale by publication once each week for three (3) successive weeks in a daily or weekly newspaper of general circulation. The

sheriff shall publish the advertisement in at least one (1) newspaper published and circulated in each county where the real estate is situated. The first publication shall be made at least thirty (30) days before the date of sale. At the time of placing the first advertisement by publication, the sheriff shall also serve a copy of the written or printed notice of sale upon each owner of the real estate. Service of the written notice shall be made as provided in the Indiana Rules of Trial Procedure governing service of process upon a person. The sheriff shall charge a fee of ten dollars (\$10) to one (1) owner and three dollars (\$3) to each additional owner for service of written notice under this subsection. The fee is:

- (1) a cost of the proceeding;
- (2) to be collected as other costs of the proceeding are collected; and
- (3) to be deposited in the county general fund for appropriation for operating expenses of the sheriff's department.

(e) The sheriff also shall post written or printed notices of the sale at the door of the courthouse of each county in which the real estate is located.

(f) If the sheriff is unable to procure the publication of a notice within the county, the sheriff may dispense with publication. The sheriff shall state that the sheriff was not able to procure the publication and explain the reason why publication was not possible.

(g) Notices under subsections (d) and (e) must contain a statement, for informational purposes only, of the location of each property by street address, if any, or other common description of the property other than legal description. A misstatement in the informational statement under this subsection does not invalidate an otherwise valid sale.

(h) The sheriff may charge an administrative fee of not more than two hundred dollars (\$200) with respect to a proceeding referred to in subsection (b) for actual costs directly attributable to the administration of the sale under subsection (c). The fee is:

- (1) payable by the person seeking to enforce the judgment and decree; and
- (2) due at the time of filing of the praecipe;

under subsection (b).

##### **Sheriff's sale; manner of sale; engagement of auctioneer**

Sec. 4. (a) A sheriff shall offer to sell and sell property on foreclosure in a manner that is reasonably likely to bring the highest net proceeds from the sale after deducting the expenses of the offer and sale.

(b) Upon prior petition of the debtor or any creditor involved in the foreclosure proceedings, the court in its order of foreclosure shall order the property sold by the sheriff through the services of an

auctioneer requested by the petitioner and approved by the court if:

- (1) the court determines that a sale is economically feasible; or
- (2) all the creditors in the proceedings agree to both that method of sale and the compensation to be paid the auctioneer.

(c) The sheriff shall engage the auctioneer not later than fourteen (14) calendar days after the date of the order entered by the court under subsection (b). The auctioneer shall schedule the auction and conduct the auctioneer's activities as appropriate to bring the highest bid for the property on foreclosure. The advertising conducted by the auctioneer is in addition to any other notice required by law.

(d) The auctioneer's fee must be a reasonable amount stated in the court's order. However, if the sale by use of an auctioneer has not been agreed to by the creditors in the proceedings and the sale price is less than the amount of the judgment and the costs and expenses necessary to the satisfaction of the judgment, the auctioneer is entitled only to the auctioneer's advertising expenses plus one hundred dollars (\$100). The amount due the auctioneer on account of the auctioneer's expenses and fee, if any, shall be paid as a cost of the sale from its proceeds before the payment of any other payment from the sale.

If the owner files a waiver under this section, process shall issue immediately. (b) A judgment and decree granted by a court or a judge in an action for the foreclosure of the mortgaged real estate shall be recorded in the lis pendens record kept in the office of the clerk of each county where the real estate is located, unless the judgment and decree is filed with the clerk in the county as provided in IC 33-32-3-2.

If the owner or part owner redeems the real estate under this section, process for the sale of the real estate under judgment may not be issued or executed, and the officer receiving the redemption payment shall satisfy the judgment and vacate order of sale. However, if the real estate is redeemed by a part owner, the part owner shall have a lien on the shares of the other owners for their respective shares of the redemption money, with interest at the rate of eight percent (8%) per annum, plus the costs of redemption. The lien shall be of the same force and effect as the judgment lien redeemed by the part owner and shall be enforceable by appropriate legal proceedings.

  - (B) not served with a notice of sale under IC 32-29-7-3(d) after a judgment and decree of sale is entered in the action.

The term includes any person claiming by, through, or under a person described in this subsection.

(c) At any time after a judgment and decree of sale is entered in an action to foreclose a mortgage on an interest in real property in Indiana, an interested person or an omitted party may bring a civil action to:

- (1) determine the extent of; and
- (2) terminate;

the interest of an omitted party in the property subject to the sale.

(d) Except as provided in subsection (e) and subject to subsections (f) and (g), upon the filing of an action described in subsection (c), the court shall determine the extent of the omitted party's interest in the property and issue a decree terminating that interest, subject to the right of the omitted party to redeem the property on terms as the court considers equitable under the circumstances after considering the factors set forth in subsection (f), if the omitted party would have had redemption rights:

- (1) before the sale under IC 32-29-7-7; or
- (2) after the sale, as described in IC 34-55-4-8(a)(2).

(e) If the omitted party proves that the omitted party has a right to receive proceeds actually paid at the judicial sale, the omitted party's interest in the property is not subject to termination by an action brought under this section unless the proceeds that the omitted party would have received at the judicial sale are paid to the omitted party.

(f) In an action brought under this section, if the court determines that the omitted party is entitled to redemption under subsection (d), the court shall consider the following in deciding the terms of the redemption:

- (1) Whether the omitted party:
  - (A) was given or had actual notice or knowledge of the foreclosure; and
  - (B) had opportunity to intervene in the foreclosure action or otherwise exercise any right to redeem the property.
- (2) Whether any interested person in good faith has made valuable improvements to the property and, if so, the value of all lasting improvements made to the property before the commencement of the action under this section.
- (3) The amount of any taxes and assessments, along with any related interest payments, related to the property and paid by an

interested person or by any person under whose title to the property an interested person claims.

(g) If the court determines that the omitted party is entitled to redemption under subsection (d), and after considering the factors set forth in subsection (f), the court shall grant redemption rights to the omitted party that the court considers equitable under the circumstances, subject to the following:

(1) The amount to be paid for redemption may not be less than the sale price resulting from the foreclosure of the interested person's senior lien, plus interest at the statutory judgment rate.

(2) The time allowed for payment of the redemption amount may not exceed ninety (90) days after the date of the court's decree under subsection (d).

(h) The senior lien upon which the foreclosure action was based is not extinguished by merger with the title to the property conveyed to a purchaser through a sheriff's deed executed and delivered under IC 32-29-7-10 until the interest of any omitted party has been terminated:

(1) through an action brought under this section; or

(2) by operation of law.

Until an omitted party's interest is terminated as described in this subsection, any owner of the property as a holder of a sheriff's deed executed and delivered under IC 32-29-7-10, or any person claiming by, through, or under such an owner, is the equitable owner of the senior lien upon which the foreclosure action was based and has all rights against an omitted party as existed before the judicial sale.

(i) An interested person may not terminate an omitted party's interest in real property that is the subject of a foreclosure action except through an action brought under this section. An interested person's rights under this section may not be denied because the interested person:

(1) had actual or constructive notice of the omitted party's interest in the property;

(2) was negligent in examining county records;

(3) was engaged in the business of lending; or

(4) obtained a title search or commitment or a title insurance policy.

#### **IC 32-30-10.5-1**

##### **Legislative findings; purpose**

Sec. 1. (a) The general assembly makes the following findings:

- (1) Indiana faces a serious threat to its state economy and to the economies of its political subdivisions because of Indiana's high rate of residential mortgage foreclosures, which constitutes an emergency.
- (2) Indiana's high rate of residential mortgage foreclosures has adversely affected property values in Indiana, and may have an even greater adverse effect on property values if the foreclosure rate continues to rise.
- (3) It is in the public interest for the state to modify the foreclosure process to encourage mortgage modification alternatives.

(b) The purpose of this chapter is to avoid unnecessary foreclosures of residential properties and thereby provide stability to Indiana's statewide and local economies by:

- (1) requiring early contact and communications among creditors, their authorized agents, and debtors in order to engage in negotiations that could avoid foreclosure; and
- (2) facilitating the modification of residential mortgages in appropriate circumstances.

##### **Presuit notice; contents; notices by creditor and court of debtor's right to settlement conference; debtor's contact information; notice to insurance company; exceptions; form of notice**

Sec. 8. (a) This section applies to a foreclosure action that is filed after June 30, 2009. Except as provided in subsection (e) and section 10(g) of this chapter, not later than thirty (30) days before a creditor files an action for foreclosure, the creditor shall send to the debtor by certified mail a presuit notice on a form prescribed by the authority. The notice required by this subsection must do the following:

- (1) Inform the debtor that:
  - (A) the debtor is in default;
  - (B) the debtor is encouraged to obtain assistance from a mortgage foreclosure counselor; and
  - (C) if the creditor proceeds to file a foreclosure action and obtains a foreclosure judgment, the debtor has a right to do the following before a sheriff's sale is conducted:
    - (i) Appeal a finding of abandonment by a court under IC 32-30-10.6.
    - (ii) Redeem the real estate from the judgment under IC 32-29-7-7.
    - (iii) Retain possession of the property under IC 32-29-7-11(b), subject to the conditions set forth in IC 32-29-7-11(b).
- (2) Provide the contact information for the Indiana Foreclosure Prevention Network.
- (3) Include the following statement printed in at least 14 point boldface type:

##### **"NOTICE REQUIRED BY STATE LAW**

Mortgage foreclosure is a complex process. People may approach you about "saving" your home. You should be

careful about any such promises. There are government agencies and nonprofit organizations you may contact for helpful information about the foreclosure process. For the name and telephone number of an organization near you, please call the Indiana Foreclosure Prevention Network."

(b) The notice required by subsection (a) shall be sent to:

- (1) the address of the mortgaged property; or
- (2) the last known mailing address of the debtor if the creditor's records indicate that the mailing address of the debtor is other than the address of the mortgaged property.

If the creditor provides evidence that the notice required by subsection (a) was sent by certified mail, return receipt requested, and in accordance with this subsection, it is not necessary that the debtor accept receipt of the notice for an action to proceed as allowed under this chapter.

(c) Except as provided in subsection (e) and section 10(g) of this chapter, if a creditor files an action to foreclose a mortgage, the creditor shall:

- (1) in the case of a foreclosure action filed after June 30, 2009, but before July 1, 2011, include with the complaint served on the debtor, on a form prescribed by the authority; and
- (2) subject to subsection (f), in the case of a foreclosure action filed after June 30, 2011, include on the first page of the summons that is served on the debtor in conjunction with the complaint;

a notice that informs the debtor of the debtor's right to participate in a settlement conference, subject to section 9(b) of this chapter. The notice under subdivision (1) or (2) must inform the debtor that the debtor may schedule a settlement conference by notifying the court, not later than thirty (30) days after the complaint is served on the debtor, of the debtor's intent to participate in a settlement conference.

(d) If a creditor files an action to foreclose a mortgage, the creditor shall do the following:

- (1) Include with the complaint filed with the court:
  - (A) except as provided in subsection (e) and section 10(g) of this chapter, a copy of the notices sent to the debtor under subsections (a) and (c), if the foreclosure action is filed after June 30, 2009, but before July 1, 2011; or

    - (i) Except as provided in subsection (e) and section 10(g) of this chapter, a copy of the notice sent to the debtor under subsection (a).
    - (ii) The following most recent contact information for the debtor that the creditor has on file: all telephone numbers and electronic mail addresses for the debtor and any mailing address described in subsection (b)(2). The contact information provided under this item is confidential under IC 5-14-3-4(a)(13).

(2) For a foreclosure action filed after June 30, 2011, at the time

(A) by certified mail, return receipt requested; and

(B) to the last known mailing address of the insurance company;

a copy of the complaint filed with the court to the insurance company of record for the property that is the subject of the foreclosure action.

It is not necessary that the insurance company accept receipt of the copy of the complaint for the creditor to satisfy the requirement of subdivision (2). A creditor's failure to provide a copy of the complaint as required by subdivision (2) does not affect the foreclosure action or subject the creditor to any liability. Subject to section 9(b) of this chapter, in the case of a foreclosure action filed after June 30, 2011, upon the filing of the complaint by the creditor, the court shall send to the debtor, by United States mail and to the address of the mortgaged property, or to an address for the debtor provided by the creditor under subdivision (1)(B)(ii), if applicable, a notice that informs the debtor of the debtor's right to participate in a settlement conference. The court's notice must inform the debtor that the debtor may schedule a settlement conference by notifying the court of the debtor's intent to participate in a settlement conference. The court's notice must specify a date by which the debtor must request a settlement conference, which date must be the date that is thirty (30) days after the date of the creditor's service of the complaint on the debtor under subsection (c), as determined by the court from the service list included with the complaint filed with the court. The court may not delegate the duty to send the notice the court is required to provide under this subsection to the creditor or to any other person.

(e) A creditor is not required to send the notices described in this section if:

(1) the mortgage is secured by a dwelling that is not occupied by the debtor as the debtor's primary residence;

(2) the mortgage has been the subject of a prior foreclosure prevention agreement under this chapter and the debtor has defaulted with respect to the terms of that foreclosure prevention agreement; or

(3) bankruptcy law prohibits the creditor from participating in a settlement conference under this chapter with respect to the mortgage.

(f) Not later than June 1, 2011, the authority, in consultation with the division of state court administration, shall prescribe language for the notice required under subsection (c)(2) to be included on the first page of the summons that is served on the debtor in a foreclosure action filed after June 30, 2011. The language must convey the same information as the form prescribed by the authority under subsection (c)(1) for foreclosure actions filed after June 30, 2009, but before July 1, 2011. The authority shall make the language prescribed under this subsection available on the authority's Internet web site. A creditor complies with subsection (c)(2) in a foreclosure action filed

after June 30, 2011, if the creditor includes on the first page of the summons served on the debtor:

- (1) the language that is prescribed by the authority under this subsection and made available on the authority's Internet web site; or
- (2) language that conveys the same information as the language that is prescribed by the authority under this subsection and made available on the authority's Internet web site.

##### **Good faith payment or delivery; custody of state; immunity of holder; reimbursement by holder; reclamation for owner; reimbursement or payment of safe deposit box or safekeeping depository charges**

Sec. 29. (a) For purposes of this section, payment or delivery is

made in good faith if:

- (2) the holder was not a fiduciary in breach of trust with respect to the property and had a reasonable basis for believing, based on the facts known at the time, that the property was abandoned; and
- (3) there is not a showing that the records under which the delivery was made did not meet reasonable commercial standards of practice in the industry.

(b) Upon the payment or delivery of property to the attorney general, the state assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the attorney general in good faith is relieved of all liability with respect to the property after the payment and delivery.

(c) A holder who has paid money to the attorney general under this chapter may later make payment to a person who, in the opinion of the holder, appears to be entitled to the payment. The attorney general shall promptly reimburse the holder for the payment without imposing a fee or other charge if the holder files proof of payment and proof that the payee was entitled to the payment. If any reimbursement is sought for a payment made on a negotiable instrument, including a traveler's check or money order, the holder must be reimbursed upon filing proof that:

- (1) the instrument was duly presented; and

(f) If the holder pays or delivers property to the attorney general in good faith and later:

- (1) another person claims the property from the holder; or
  - (2) another state claims the money or property under that state's laws relating to escheat or abandoned or unclaimed property;
- the attorney general, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim.

(g) Property removed from a safe deposit box or other safekeeping depository is received by the attorney general subject to the holder's right to be reimbursed for the cost of the opening and reasonable

expenses incurred in determining the current addresses of any owners for whom the last previous address contained in the holder's records appears to be inaccurate. The property is subject to any valid lien or contract providing for the holder to be reimbursed for unpaid rent or storage charges. Sec. 31. (a) Except as provided in subsections (b), (c), and (f), the attorney general, not later than three (3) years after the receipt of abandoned property, shall sell the property to the highest bidder at a commercially reasonable public sale that, in the judgment of the attorney general, affords the most favorable market for the property. The attorney general may decline the highest bid and reoffer the property for sale if, in the judgment of the attorney general, the bid is insufficient. If, in the judgment of the attorney general, the probable cost of the sale exceeds the value of the property, the attorney general is not required to offer the property for sale. A sale held under this section must be preceded, at least three (3) weeks before the sale, by one (1) publication of notice in a newspaper of general circulation published in the county in which the property is to be sold.

(b) If the property is of a type that is customarily sold on a recognized market or that is subject to widely distributed standard price quotations, and if, in the opinion of the attorney general, the probable cost of a public sale to the highest bidder would:

- (1) exceed the value of the property; or
- (2) result in a net loss;

the attorney general may sell the property privately, without notice by publication, at or above the prevailing price for the property at the time of the sale.

(c) Securities shall be sold as soon as reasonably possible

The attorney general shall execute all documents necessary to complete the transfer of ownership.

(e) A person does not have a claim against the attorney general for any appreciation of property after the property is delivered to the attorney general, except in a case of intentional misconduct or malfeasance by the attorney general.

- (1) sell the property and transmit the proceeds; or
- (2) transfer the property;

##### **Fee agreement to locate, deliver, or recover owner's property**

Sec. 46. (a) This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or to contest the attorney general's denial of a claim. An agreement by an owner that:

(1) has the primary purpose of paying compensation to locate, deliver, recover, or assist in the recovery of property presumed abandoned under this chapter; and

is void and unenforceable.

(b) An agreement by an owner that has the primary purpose of

  - (B) the value of the apparent owner's share after the fee or compensation has been deducted; and
- (5) the agreement contains the provision set forth in subsection (d).

(c) This section does not prevent an owner from asserting at any time that an agreement to locate property is otherwise invalid.

(d) This subsection applies to a person who locates, delivers, recovers, or assists in the recovery of property reported under this chapter for a fee or compensation. An advertisement, a written communication, or an agreement concerning the location, delivery, recovery, or assistance in the recovery of property reported under this chapter must contain a provision stating that, by law, any contract provision requiring the payment of a fee for finding property held by the attorney general for less than twenty-four (24) months is void, and that fees are limited to not more than ten percent (10%) of the amount collected unless the amount collected is fifty dollars (\$50) or less.

(e) Subsections (b)(4) and (d) do not apply to attorney's fees.

(f) If an agreement covered by this section:

- (1) applies to mineral proceeds; and
- (2) contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned;

the provision is void and unenforceable.

(g) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has agreed to pay compensation that is unconscionable, or the attorney general on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount.
